## Lakeside As Feeder Airport Studied

City of Collinsville Requests State Survey Under Federal Program

An Illinois state feasibility study of Lakeside Airport as a potential site for establishing a "feeder" airport under a federal program providing part of the construction cost has been requested by the city of Collinsville, it was learned by the Press-Record today.

The request has been made by letter directed to the Illinois State Department of Aeronautics as the result of a conference in Springfield last week between officials of the state department and a delegation of Collinsville city officials. Also attending the meeting was William Nichols, operator of the Nichols Net & Twine Co., and owner of the Lakeside Airport land.

The city's action preceded by only a few days the announcement that interests in operation of the airport by Maurice "Marshall" Brown of Glen Carbon have been acquired by Mound City Aviation, Inc. The airport is continuing operation under the corporation whose members include Dr. P. A. Pfaff, a Collinsville dentist, Robert Miller and Robert Schneider.

Resumed in January  
After a shutdown of three years, operation of the airport was resumed in late January when Brown announced he had received a certificate to operate a commercial airport from the State Department of Aeronautics and had negotiated an agreement with Nichols to operate the airport.

Nichols said yesterday that no specific written lease was involved in Brown's operation of the airport and that present operation of the airport by Mound City Aviation will continue for some time on the same basis.

The action by the city of Collinsville was taken under a federal program in which funds already have been set aside to help finance "feeder" airport construction in areas designated by the U. S. Department of Aeronautics as essential to aviation development.

Nichols said he understands that such airports are "up to 5000-foot runway size and would be required to handle light jet aircraft."

The federal program provides 50% of such airport construction cost, with the state to provide an additional 25% and the sponsoring municipality to provide the remaining 25%. While the

## Data Processing Class Approved For High School

Establishment of computer science classes at Granite City high school beginning this fall was authorized last night by the school board.

The possibility of data processing instruction being offered already has drawn a big response from GCHS students, and nine daytime classes are planned as well as evening use of the equipment for adult education. Assistant Principal Thomas Noeth told the board.

Monthly rental from the IBM firm will total \$1041 and it is planned to conduct the program 12 months a year, enabling existing summer courses.

Equipment will include a printing keypunch, four non-printing keypunches, sorter, collator, interpreter, reproducing punch, "mark sense" machine, punch emitter, accounting machine, special program machine and two disc selectors.

Initial outlay will include about \$1000 for cabinets and about \$1700 for set-up and delivery charges. The center for training business students in computer science is to be located in part of the former GCHS cafeteria.

**Basic Automation Skills**  
Noeth outlined the course of study, saying it will advance students in the basic skills of automation.

"Possibly at a later date, a computer will be used for administrative production work after the instructional staff has been trained in automation," Noeth said.

"Intent of this basic, initial venture in the automation field is to enable teachers and students to start with the fundamental operations."

"I believe that the procurement and use of computers for teaching and for administrative function should be several years away."

The school district at present utilizes a computer at the McDonnell Corp. to expedite class scheduling and grade reporting and a computer at the Standard Tabulating Corp. to do such work in 1969-70 was approved by the board last night.

**Hospital Filled; Waiting List**  
Hospital authorities are wishing this week they had the 150 additional beds that will be available once the new St. Elizabeth's is completed.

This week, admitting clerks were turning away patients, and doctors were asked not to admit any elective patients. The waiting list continues to grow.

Sister Mary Thomas, administrator for St. Elizabeth's Hospital, said today, "This is not unusual. This happens every year about this time. The community is growing and that's why we're putting up the new one."

To cope with the heavy patient problem, that includes expectant mothers, the hospital staff is putting two beds in single rooms and three beds in double rooms.

Another possible reason for the heavy 72-patient population is individuals needing hospital services entering between holidays. "There's no epidemic, such as flu, but there seems to be a larger number of heart and ulcer patients," the administrator noted.

"In some cases," she added, "just as the new hospital opens, persons involved to try to enter another hospital."

## Personal Property Tax Drive Proposed

Treasurer, Attorney Say County Could Get \$800,000 of Funds Due

With Madison county taxpayers failing to pay over \$1 million of their personal property taxes during the past decade, a plan expected to collect over \$800,000 of the delinquent tax total was disclosed this week by County Treasurer John Maeras, Madison Democrat, and State's Attorney Roland W. Griffith, Alton Republican.

A Delinquent Tax Department would be established by the county government at an estimated cost of \$60,000.

The proposal, praised by those who contend that the non-payment of taxes during the past decade, a plan expected to collect over \$800,000 of the delinquent tax total was disclosed this week by County Treasurer John Maeras, Madison Democrat, and State's Attorney Roland W. ## Venice Centenarian is Avid Baseball Fan

One of the oldest St. Louis Cardinals baseball fans is James Powell of Venice, who observed his 100th birthday Sunday and wished he could list the 100 Cardinals games and slams he had seen during his lifetime.

He is a tremendous baseball fan and I feel so sorry for him when the season ends as his happiest times are listening to the baseball games in summer time, Mrs. Owens said.

Although blind, Mr. Powell kept fairly active until the past December. "Since then, he has not been quite as perky, but still gets around," his granddaughter explained. "He certainly isn't bedfast," she added.

The senior citizen has to stay indoors during the winter months, but enjoys sitting on the front porch when the weather is warm.

Born in the vicinity of Texarkana, Ark., Mr. Powell has spent most of his life working and residing in Arkansas and came here from Newport, Ark. He has made his home with his wife, Jessie, 81, in April 1964. The couple had one child, the mother of Mrs. Owens, Mrs. Della (Powell) Ethridge died in Madison, in July 1960, at the age of 63.

A long-time employee of the Missouri-Pacific Railroad before retirement, Mr. Powell was seriously injured in 1927 when a load of railroad ties fell on his left leg which required amputation. He continued to work in the railroad yards at various jobs after recovering from the injury.

Mr. Powell's granddaughter—his only living relative—has been employed for the past nine years as a clerk on Third Floor East surgical ward at St. Elizabeth Hospital. Her husband, R. F. Owens, is a mason's helper at American Steel Foundries.

The 100th birthday was observed by the family and Mr. Powell has few friends here to visit with him and reminisce about the old days.

He spends most of the day listening to programs on the television and radio and waiting for the St. Louis Cardinals to begin their spring training games in Florida.

He has offices at the building, the East Side Levee and Sanitary district will be established here to permit full-time local administration of levee district projects in the Quad-City area, it was learned today.

The office, to be located in the present levee district garage building at 1707 Madison avenue, will be under administration of William "Mike" Ebersold of Venice and Joseph Grant of Granite City, the two five-man levee district boards.

Ebersold said a full-time secretary will be employed to keep the office open during regular hours five days a week. Ebersold and Grant also will have offices at the building, the East Side Levee and Sanitary district will be established here to permit full-time local administration of levee district projects in the Quad-City area, it was learned today.

ARMED ROBBER: A composite sketch of the bandit who held up the cashier at National Food Store Tuesday.

## Armed Bandit Steals \$3,000 In GC Holdup

Robs National Food Store Cashier; Other Thiefs Here This Week

A neatly groomed, lone hold-up man in his late 20s or early 30s robbed the National Food Store, Madison avenue and Nemoak road, at gunpoint, a few minutes before the store was to close at 9 p.m. Tuesday and made a get-away with over \$3000 cash.

The bandit was described as being about five feet, ten inches or five feet, 11 inches tall and weighing between 160 and 185 pounds.

He walked up to cashier, Mary Gardner, who was standing in the cashier's cage near the front of the store building, pulled a small pipe pistol from under his clothing and demanded the store's cash.

Mrs. Gardner was in the process of collecting and tallying receipts from the firm's several cash registers. The man also ordered her to take additional money from a safe.

"He seemed to know exactly what he was doing and where everything was," she commented, adding that the robber remained perfectly calm throughout the holdup.

After gathering up the money, the man left the store through the front door and headed toward Madison avenue.

Mrs. Gardner then tripped an alarm and a police vehicle cruising in the vicinity of Nemoak and Johnson roads responded immediately. The police officers were unable to locate anyone in the area, resembling the robber's description.

Two or three people were in the store at the time and were not aware of the robbery. No one was able to tell police how many dollars the man carried.

The gunman had neatly combed hair and long sideburns and was wearing a gold and brown checked shirt and khaki trousers, police were told.

Police Chief Ronald Veizer is asking anyone who recognizes the photograph or has information about the robbery to contact him or a member of the detective bureau at police headquarters in the city hall. The source of any information will be kept strictly confidential, he stressed.

**Caught in Station**  
Burglary charges were to be filed today by Madison police against Donald Lones, 22, of 1828 Adams street. Police said Lones had been caught this morning inside a Madison service station.

Another man is being sought in the case, officers reported. A police said they received a call about 12:10 a.m. reporting that a burglary apparently was under way at the Fina Service

## 21 Quad-Cityans Drafted Today

(Picture on Page 3)  
A group of 21 Quad-City youths reported at 6:30 a.m. today to the county selective service office at Edwardsville for armed forces induction. Another 15 youths reported for pre-induction physical examinations.

Those drafted this morning were: Randall Eric Robertson, Gerald A. Gray, Richard J. Kostoff, Stephen L. Austin, Dale E. Campbell, James N. Beck, Paul T. Brown, Joel E. Henry, James C. Anderson, David H. Howard, Gary L. Wright, Ronald J. Chlopek and Kenneth E. Richter, all of Granite City.

John Nieske Jr., Willie M. Harmon Jr., Neil O. Bailey, David M. Napier, William C. Gavinsky, Dennis K. Henderson and Dennis R. Rodgers, all of Madison, and Philip L. Beyer of Edwardsville, formerly of Madison.

From Edwardsville, the group went by bus to St. Louis examining station for assignment to training camps.

The 21 Quad-Cityans are to be drafted on March 28, the same date that 25 others are to report for pre-draft physicals.

So far this year, 35 Quad-Cityans have been drafted, compared to 18 in the same two-month period last year.

## 1st Lt. Richard Clark Awarded Bronze Star

First Lt. Richard J. Clark, 22, of 3213 Bluebird lane, who recently returned from Vietnam, has been awarded the Bronze Star medal for meritorious service.

Clark, now a student at Southern Illinois University-Southern Campus, was assigned as Operations Officer, Co., 20th Engineer Brigade from January 1968 to December 1968.

The citation read in part, "Through his untiring efforts and personal ability, he consistently obtained outstanding results. He was quick to grasp the implications of new problems and was able to find solutions as a result of the ever changing situations inherent in a counter insurgency operation and to find ways and means to solve these problems."

"The energetic application of his extensive knowledge was materially contributed to the efforts of the United States Mission to the Republic of Vietnam to assist that country in riding itself of the communist threat to its freedom."

"His initiative, zeal, sound judgment and devotion to duty have been in the highest tradition of the U. S. Army and reflect great credit on him and on the military service."

Clark is the son of Mr. and Mrs. Charles N. Clark. His father is a retired Army Major.

A 1964 graduate of Eastwood high school in Columbus, Ohio, Lt. Clark enlisted in the Army for three years in December 1965. Last month he was basic training at Fort Leonard Wood, Mo., and was sent to Fort Belvoir, Va., for Officers Candidate School.

He graduated as a second lieutenant in the summer of 1968 and was assigned to duty in Vietnam.

## New Nameoki Town Budget Set at \$192,550

A Nameoki township budget and appropriation of \$192,550 for the 1969-70 fiscal year will be ready for public inspection Monday, it was announced today.

The new appropriation is \$2472 higher than last year's total of \$190,078.

Slight reductions in budgets for the town fund and road and bridge fund are shown in the new budget, while increases, also slight, are shown for the general assistance and Municipal Retirement Fund items.

The town board appropriated \$33,760 for the town fund, down slightly from the \$34,710 last year, but budgeted \$39,140 for the general assistance fund, compared to last year's \$36,043. The new road and bridge fund appropriation is fixed at \$30,650, down from last year's \$40,325.

Retirement Schedule Up

Appropriations for the Municipal Retirement Fund were fixed at \$4900 for the town fund, compared to \$4500 last year, and \$3100 for the road and

bridge fund, compared to \$2500 last year. The increases conform to new state rate schedule.

Among major town fund items is an appropriation of \$25,500 for salaries of town officers, \$200 for curials, \$1500 for the highway commissioner, \$2400 for town auditors, \$3900 for the town assessor, \$6240 for the supervisor of assistance and \$5000 for employment of deputy assessors.

Expenses for town offices include \$500 for the collector's office and \$600 for all others.

Other town fund items include \$3200 for office help, \$3500 for the abatement clerk, \$1500 for rabies control, \$2400 for township inspectors and \$2500 for contingencies.

The general assistance fund budget of \$39,140 includes \$22,765 for home relief purposes, of which \$15,000 is for food and \$1600 for rents. Only \$2175 is set up for hospitalization costs. Administration costs are fixed

at \$11,000 of which \$8700 is in salaries.

Other assistance fund items are \$1000 for institutional care, \$1000 for transient cases and \$200 for curials.

Maintenance expenditures of \$26,500 make up a major part of the regular road and bridge fund appropriation of \$39,650. The maintenance budget includes \$15,000 for labor, materials and supplies are budgeted at \$7500 and machinery operation at \$4000. Purchase of new machinery is budgeted at \$3100 and repair of machinery at \$2500.

The appropriation of \$32,000 for the permanent road fund includes \$31,000 for maintenance and \$1000 for administration costs.

The appropriation bill will remain posted until a public hearing March 25. Figures confirmed by electors at the hearing will then be subject to approval in the annual town meeting at 7:30 p.m. April 1 in the town hall.

## Attend Services for Twin Brother, 73

Mr. and Mrs. Louman Reynolds, 1731 Third street, Madison, attended the funeral Monday afternoon in Brighton of the former's twin brother, Leland Reynolds, 73.

Mr. Reynolds died suddenly and was found by his wife when he returned from work Friday at an Alton school cafeteria. He had suffered several light strokes within the past few years and a note was found stating he thought he was having another.

Attending the funeral with the brother and sister-in-law were Mr. and Mrs. Walter Franklin of Pine Lawn, Mo.

## Separate 'Profit-Loss' Report

"Mr. Maerz and I both would further like to recommend that this Delinquent Tax Department be run with a separate budget from the present treasurer's office so that the county board and public will know exactly how much we spent in this endeavor and how much we collect," he would continue the program only as long as it was profitable.

If the Finance and Tax committees see fit to recommend this program to the board, the program could go into full effect about June 1, 1969. This would be right after the main body of the spring tax collections.

## Continuing Program Likely

"Once the bulk of the taxes is collected that is feasible, the department could be gradually phased down so that it would be financially interesting to the county."

"Prior to that time, we should hire the attorney and the head of the department in the treasurer's office, so that the program could be fully organized and ready to go on June 1."

## Court Cooperation Vital

"The full-time services of a magistrate judge would also be an essential for a period of approximately eight months, at which time these claims should taper off."

"This will require the cooperation of course, of the judiciary in the county. I am certain that it can be obtained, although it will put an additional load on them."

"The part-time help required to serve the distress warrants to pick up cars or property would pay for itself as it went along, and there would not be any advance cash requirement."

## Smith Would Help at Start

"In the state's attorney's office, I feel that we will need one secretary and a full-time attorney. In addition, the procedure will require some of my time in helping to get the program set up."

"Very roughly, the expense for the county treasurer's office would total about \$47,000 for a year, if all of the personnel were hired for the entire year."

"The actual expense to the state's attorney's office would probably run between \$12,000 and \$14,000. It is going to be very difficult to find a full-time attorney to handle this uninteresting work, and we will prob-

Particular area No. 3 sewerage fund, no disbursements, and a balance of \$9175.

## House Bill Would Repeal Firearm Law

Rep. Sam M. Vadalabene (D-Edwardsville), co-sponsor of House Bill 16, which would repeal the existing firearm registration law, said today the bill was passed out of the House Conservation committee on Wednesday with a "do pass" recommendation by a vote of 15-4.

Vadalabene advised he had co-sponsored the bill because the existing law which was enacted by the 76th General Assembly had thus far not proved to be an effective measure for the control of the use of firearms and the fight against violence.

## Throw Eggs, Water

Egg throwing vandals damaged the outside and interior of an auto parked in the 2800 block of Buxton avenue last evening and also caused additional damage inside the car with water filled balloons, Sherry Hunt, 2809 Marshall avenue, informed police at 7:15 a.m. today.

## Many Tax Errors Noted on Medical Insurance Cost

A common error made by Springfield District taxpayers last year involved medical expenses, especially the deduction for medical insurance premiums, Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, said today.

Philpott emphasized that on itemized returns, half the premium paid for medical insurance, up to a maximum of \$150 may be deducted in full as a medical expense without regard to the 3% limitation.

Many persons failed to take advantage of this provision last year and had to file claims for refunds.

The balance of the premium cost for medical insurance should be added to other medical costs and reduced by 3% of income. Life insurance and accident and health insurance covering the loss of earnings are not medical expenses and the premiums paid are not deductible.

Philpott pointed out that all taxpayers must reduce medical expenses by 3% of their income. Such medical expenses include the cost of drugs and medicine that exceeds 1% of income. The excess over this amount is deductible.

Handling of medical expenses is explained in the Form 1040 instructions as well as the IRS Publication 17, "Your Federal Income Tax," which may be purchased for 60 cents a copy at IRS offices in Alton, Belleville, Champaign, Decatur, East St. Louis, Peoria, Mt. Vernon and Springfield.

Copies may also be obtained by mail from the Superintendent of Documents, Washington, D. C. 20402 or Cashier, P. O. Box 1468, Springfield, Ill. 62705.

## Miss Parker Receives Stewardess Wings

Miss Catherine Janet Parker, daughter of Mr. and Mrs. Herbert B. Parker, 2478 Waterman avenue, has been awarded the silver wings of an American Airlines stewardess and has been assigned to flight duty out of Chicago.

She received her wings as a graduate in the second class this year at the American Airlines Stewardess College, Fort Worth, Tex.

A native of Philadelphia, Pa., Miss Parker was graduated from Granite City high school in 1965. She earned her BS degree in education from Eastern Illinois University. She is five foot, six inches tall with brown hair and brown eyes.

Miss Parker studied more than 100 different subjects during her six weeks training at the college. Subjects ranged from make-up and grooming to in flight food service and theory of flight.

## 500 Attend 'Think Day' Program Here

"Thinking Day," a special day for the Girl Scouts in District 4 and all over the world was attended by 500 persons at the Madison Recreation Center this week.

Each of the Five Neighborhoods represented a foreign country, presenting a song and dance relative to the country.

Neighborhood One selected "Around the World" and incorporated several countries; Neighborhood Two chose Yugoslavia; Neighborhood Three, Germany; Neighborhood Four, Ireland and Neighborhood Five, Puerto Rico.

All the Brownies attending led the parents and guests in a sing-a-long.

Chairman for the event was Mrs. Bernadine Weidner, and her committee included Mrs. Margaret Barton, Mrs. Venita Ambush, Mrs. Mae Lee, Miss Carolyn Votaw and Mrs. Mickey Patton.

A Granite City senior troop under the leadership of Mrs. Wilma McKinney gave the closing ceremony.

Senior Troop 170 of Madison prepared a table display of items from each of the foreign countries.

Manufacturers Group  
Re-elects Steinhauer

An election of officers with  
A. P. Steinhauer, works manager  
at American Steel Foundries,  
renamed president, was held  
Tuesday by the board of directors  
of the Manufacturers Association  
of the Tri-Cities.

Other officers renamed were  
Paul Kemp, manager of the A. O.  
Smith Corp. plant, first vice-  
president; B. J. Hunter, vice-  
president of domestic operations  
of Union Division, Miles Laboratories,  
second vice-president, and William  
F. Hoelcher, secretary.

M. Wilson Dorell, plant manager  
of Dow Chemical Co., was elected  
treasurer to replace Thomas R.  
Remington, who recently was  
promoted to vice-president of  
operations for General Steel Industries.

Appointed to the board was  
Richard Lich, new president of  
GSI's Castings Division, who  
succeeded Remington to that office.

The meeting was held at the  
association offices, 1251 Nied-  
ringhaus avenue.

GC Council Meeting  
Opens with Prayer

Returning to a practice  
of past years, Mayor Part-  
ney opened Monday night's  
council session with a prayer  
and then led the council  
members, city officials and  
audience in the pledge of  
allegiance.

The custom was followed  
for about a year nearly 10  
years ago with ministers  
and priests visiting the  
council room to lead the  
prayer.

Last week, on a motion by  
Alderman Boyd, the council  
voted to revive the opening  
ceremonies.

Hospital Health Talk  
Program Set March 11

Dr. Hector Zevallos, local  
physician practicing in ob-  
stetrics and gynecology, will be  
the featured speaker at the  
sixth in a series of health talks  
to be given on Tuesday, March  
11, at 7:30 p.m. at the Tri Cor  
medical building.

Topic of the program will be  
"Time and Two Women." This  
program alerts women to the  
urgency of early detection of  
uterine cancer, through cell ex-  
amination (the Pap smear), by  
telling the stories of two women  
who had cancer of the uterus.

An ignored warning  
signals and saw her doctor too  
late, the other's early cervical  
cancer was detected in the  
course of a periodic check-up.

As a community service in  
the health field, the public is  
invited to attend these health  
programs given by St. Elizabeth  
Hospital each month. Admission  
is free.

SIU-SW is Offering  
43 Courses at Alton

Southern Illinois University  
Southwestern campus, will offer  
43 courses at its center in Alton  
during the spring quarter.

Registration without appoint-  
ment will be possible at the Al-  
ton Student Union building  
March 11 and again on March  
25.

According to Registrar Robert  
M. Bruker, persons who were  
not enrolled at SIU-SW during  
the winter quarter will have to  
be readmitted before registering  
for the upcoming term.

The spring quarter runs from  
March 25 to June 10.

Twenty-five of the courses of-  
fered are guaranteed to meet  
regardless of the number of per-  
sons signing up for the class.  
This is a continuation of a pro-  
gram announced previously by  
SIU-SW. At both the Alton and  
East St. Louis Centers a full  
year of guaranteed classes are  
scheduled for this year.

The program allows students  
to plan course work for the en-  
tire year with assurance that  
courses will not be canceled.  
Full-time college work is  
available for freshmen and  
sophomores and a coordinated  
evening schedule for the entire  
year permits a freshman half-  
time course to be carried with  
courses two nights a week.

Advisement, registration, fee  
payment and textbook rental  
may all be taken care of at the  
Alton Center. SIU bus service  
between its center at Alton and  
the Southwestern campus is  
available.

26 GC Men Arrested in  
Madison on Gun Charge

Two Granite City men were  
arrested about 3:30 a.m. yester-  
day on a charge of unlawful use  
of a weapon, according to Madison  
police who said the men were  
arrested at the Town Tavern,  
1312 State street, after offi-  
cers received a report that two  
men were pointing guns at  
patrons in the tavern.

Charged were Harold D. Sulli-  
van, 35, of 1612 Princeton lane,  
and Jack D. Krug, 22, of 3109  
Kirkpatrick Homes. Both posted  
bail pending a magistrate  
hearing.

Officers said when they ar-  
rived at the tavern they  
found Sullivan and Krug with  
45 caliber automatic pistol in  
his belt. They also found a .22  
caliber pistol lying on the juke  
box. Krug admitted he owned  
the pistol, police reported.

20th Street Accident

An accident at 20th street and  
Grand avenue at 3:45 p.m.  
Tuesday involved vehicles op-  
erated by Ora Bollinger, 2400  
Hodges avenue, and Terrance  
Burns of Alton. No injuries were  
reported.

ing in many years to aid the  
township in solving its drain-  
age problems.

Polley said it is a "horrible  
shame" that the levee district  
has ignored the township to  
such extent that township roads  
are damaged extensively by  
pond and lakes of standing  
water even after moderate  
rains.

To Lay Own Tile  
Charles Hanks said that he is  
planning to resume digging im-  
mediately for installation of a  
stormwater drainage tile along  
Garden lane to Long Lake to  
drain part of the flooded area  
in the Breckenridge, Central  
and Division street areas. An  
effort to excavate for the line  
two weeks ago was halted when  
the trenchers struck water at  
the four-foot level.

The tile is to be installed by  
the township highway depart-  
ment and this brought from  
Polley a protest that the town-  
ship was being forced to use  
money intended for road pur-  
poses on drainage projects.  
Briggs replied that such drain-  
age was necessary to prevent  
further damage to the roads  
and therefore the expenditure  
was justified.

Polley then suggested that  
suit be brought against the  
levee district for any damages  
caused to township roadways  
by lack of drainage. Vassileff  
was asked his opinion and said  
he would report later on the  
matter.

The board also approved re-  
port of Assessor Joseph C.  
Han and Tax Collector Gene  
Roter for hiring two deputies  
in each office to assist in this  
year's assessment and collec-  
tion work.

The board adjourned until  
March 14.

## 6th Grade Typing Part Of Program for Gifted

A class in typing for sixth grade students has been started, with 73 public and parochial pupils participating, the Granite City chapter, National Association for Gifted Children, has been advised. The students, who meet at Frohardt school each Monday from 3:15 to 4:15 p.m., furnish their own typewriters, manuals and transportation.

Mrs. Mildred Hoelscher will soon begin a class in the dance for interested and talented youngsters; boys especially are being encouraged to enroll. Further information is available from Mrs. Melvin Freedman, chapter president, 422-2161.

Mrs. Stephanie Sedej has agreed to begin a class in folk dances of her native Yugoslavia. She will send to Yugoslavia for records, enabling the children taking part to learn the language as well as the dances.

One of ten chapters nationally and the only one in Illinois, the NAGC group here is continuing to assemble junior high library books. Those contributed and more suitable for high school or elementary libraries will be distributed accordingly. Books may be taken to the new school board office at 20th and Adams streets.

All interested in attending chapter meetings may do so at 7:30 p.m. each third Thursday at Grigsby junior high school. A speakers' bureau is to be formed to aid in assuring informative meetings. Mrs. Freedman has announced.

## Sp/4 Wayne Motl Is Home from Vietnam

Sp/4 Wayne Motl, 21, son of Mrs. Elbert Motl, 2229 Harris avenue, arrived home Tuesday, after completing 12 months service with the 1st Air Cavalry Division in Vietnam.

He will be home for 45 days before leaving for Fort Riley, Kan., his next assignment.

A 1966 graduate of Madison high school, Motl enlisted in the Army July 1967 for a three-year enlistment. He took his basic training at Fort Leonard Wood, Mo., and was sent to Fort Eustis, Va., for additional training prior to going overseas.

### Speeding Arrest

Paul W. LeGrand, 2006 Cottage avenue, was charged with speeding at Franklin and Cottage avenues, at 9:30 p.m. Tuesday. He is to appear by March 7.

## Over 2000 Expected at Park District Winter Carnival

Plans were completed this week for the Granite City park district's ninth annual "Winter Carnival" to be staged at 7:30 p.m. Tuesday in Memorial Gymnasium at Granite City High school.

Coordinators of the show are "keeping their fingers crossed" that last year's six-inch snowfall and blizzard which occurred the day of the carnival and created many problems, will not be repeated this year.

More than 2000 tickets already have been distributed for the event which serves as a showcase for more than 450 youngsters presently participating in a variety of winter recreational programs sponsored by the district.

**Two-Hour Show**

No admission is charged for the two-hour show, however, a ticket is required for admission.

A suit was filed Tuesday against the city of Granite City by Theodore Pritchett of Granite City seeking payment of \$64 for his services as substitute city humane officer Jan. 20-23.

Pritchett, who was assistant humane officer until he resigned last year, was called out last month by Mayor Partney when the humane officer was ill. The regular assistant has a full-time job and works only on weekends.

Earlier this month, the council voted down payment to Pritchett at two meetings. The \$64 item had been on the bill list.

The suit was filed for small claims action in the circuit court here and is on the docket for March 28.

### Wrestlers, Twirlers

Forty-five boys, six to 12 years, will demonstrate wrestling skills and present exhibition matches, supervised by Tom Skubish and William Hoshidre, and about 25 girls will perform dance twirling numbers, directed by Misses Marilyn Champion and Barbara Brandt. Close to 50 youthful, enthusiastic square dancers will present a series of numbers taught and practiced at various district centers during the past several months by Mrs. Helen Bjorkman and Miss Debbie Scuturo.

Another highlight will be the final event in a free throw basketball tournament, featuring competitors representing park district basketball centers where they won championships in earlier contests.

## Police Chief Favors Night Court Sessions

Granite City Police Chief Ronald Veizer is one of several area police officials who strongly advocate night court sessions to relieve over-burdened day sessions and eliminate the present need for policemen to attend night hearings during their off-duty hours at no pay.

Feasibility of night court sessions was discussed recently at a meeting of the St. Clair Madison Counties' Police Chiefs Association when representatives of the two counties' bar associations spoke before the group.

Chief Veizer said the problem will be further explored at the association's next regular meeting to which court officials and representatives of the state's attorneys office will be invited.

At the recent meeting, Chief Veizer stressed that courts are operated on a 9 a.m. to 5 p.m. schedule for the convenience of the judges and attorneys and at the inconvenience of police officers.

He pointed out that most

## Plan Voter Registration At 15 Special Centers

A series of 15 special registration periods will be conducted in the Quad-City area during the weekend in a final drive to register all persons qualified to vote in the city, township and park district elections April 1.

Several of the registration centers were operating today.

The special registration program was arranged by County Clerk Eulalia Hoz, who pointed out that Monday is the deadline for registering for the April 1 balloting.

Registration and changes in the records of existing registrations will be accepted at the county clerk's office until 5 p.m. Monday. Qualified voters also may register with any permanent deputy registrar.

Special registration periods set up for the Quad-City area include six in Granite City, two

in Madison, one in Mitchell, one in Hannibal, and two in Venice.

Those scheduled in Granite City are: Friday, Feb. 26, First Granite City National Bank, 4 p.m. to 7 p.m.; Saturday, March 1, 9 a.m. to 3 p.m., Bellemore Shopping Center, 10 a.m. to 3 p.m.; Cohen's Food store, 2301 Illinois avenue, 10 a.m. to 3 p.m.; Monday, March 3, Thurber Agency, 9 a.m. to 5 p.m. and Kroger store, Nameoki Village, noon to 7 p.m.

Registration activities under way today are located at the Nameoki Township Relief office from noon until 8 p.m. and First City store, 4635 Pontoon road, from noon until 6 p.m.

Other registration centers planned include: Friday, Feb. 28—Ace Hardware store, 4010 Pontoon road, Pontoon Beach, noon until 7 p.m.

Saturday, March 1—Schermer's Market, 12th street and Madison avenue, Madison, 9 a.m. until 4 p.m.; West Memorial Center at Madison, 9 a.m. to 4 p.m.; Cedar Point Confectionery at Mitchell, 10 a.m. to 6 p.m.; Gem Store, State Park Place, 10 a.m. to 4 p.m.; Tri-City Grocery, Broadway at Fourth street, Venice, 9 a.m. to 4 p.m.; Thomas Dean Store, Eagle Park Acres, 10 a.m. to 3 p.m.

Record Changes Necessary

Miss Hoz pointed out that persons who will reach 21 years of age on or before April 1 and meet other voter qualifications may register to vote in the April 1 elections. Changes in registration records are required for changes of address or change of name by marriage, divorce or court order.

Miss Hoz said that any voter who does not have a Voter's Certificate of Registration (pink card) should check directly with her office to determine if they are properly registered. If a voter has lost the card, he may obtain a duplicate by requesting one at the county clerk's office, Miss Hoz said.

Qualifications of a voter require him to be 21 years of age, citizens of the United States, a resident of Illinois for one year, of the county 90 days and of the precinct in which he lives 30 days.

## Levee District

Third and fourth grade students competing will be Lynn Harris, Prather; Barry Watson, Nameoki; and Keith Champion, Nameoki. Fifth and sixth grade champions to compete will be Tim Mank, Prather; Richie Jennings, Nameoki; and Curt Champion, Nameoki.

Each boy will be allowed ten throws, with trophies awarded the first place winner in the two divisions.

Ron Dillard, park district basketball director, will supervise the contest, assisted by Al Mionberg, Norman Martinez and Larry Williams.

Women who attend "Slimette" classes at Niedringhaus school are expected to present a physical fitness and free exercise routine to records. However, this portion of the program still may be changed, Brown said.

## Police Departments, Especially

Smaller units, concentrate most of their men on the night shift, when crime is the heaviest, so that most patrolmen work all night then have to appear in court during the day.

Many times, Veizer explained, a policeman may have to work over his regular hours to complete a case he is on and therefore is late getting to court or is not able to make it at all. When he arrives later, he frequently finds his case has been dismissed because he wasn't present to testify against the offender.

The local police chief also pointed out that many departments do not pay their officers for off-duty court appearances.

At one time, compensatory time off was given officers appearing in court, but this practice has not been followed in Granite City for more than a year, he explained.

At the same meeting, Gerald McGivern, representing the Madison County Bar Association, reported the county's problem in law enforcement is the lack of manpower, money and equipment.

He cited the need for centralized communications not only for Madison county, but for the two-county area because of the closeness of communities. He also recommended use of computers to give a quick report on what charges there are against a criminal and a pool-type detective bureau to assist departments which do not have detectives to make necessary investigations.

share of district income go to the Madison county area than there has been in the past.

Ebersoldt said he and Grant agreed to a budget increase of more than \$100,000 in the district's appropriation for work projects with the understanding Madison county would receive a "50-50 share" of improvement work planned for ditches, drainage canals and levees.

Morris Campbell, elected president of the board of trustees in January to succeed Lawrence Tolar of East St. Louis, is lending full support to the program by the Madison county board members for local administration of levee district projects within the Quad-City area, Ebersoldt said.

The Madison county section of the levee district is made up of Granite City, Venice, Nameoki and Chouteau townships which pay substantial amounts of taxes into the levee district. Nameoki township officials recently announced efforts to secede from the district because it has received no assistance from the district in many years.

## Have Full Support

"Campbell has told us (Ebersoldt and Grant) that he will support us 100% in our plan to handle our own local project improvements," Ebersoldt said. The Madison board member said that there is a critical need for solution of drainage problems in the Quad-City area and its environs. First among these, he said, are improvements in the locks on Horseshoe Lake east of Route 111 and dredging of ditches that help drain overflow of Horseshoe Lake.

Ebersoldt announced a week ago an effort to rebuild the Nameoki area drainage canal into an underground culvert that would increase storm water flow into Horseshoe Lake and, at the same time, eliminate the dangers and hazards of the open ditch. Ebersoldt presented the program to Cong. Melvin Price (D-East St. Louis) who agreed to request the U. S. Army Corps of Engineers to include the work in its flood drainage plans now being prepared by the Army Corps.

# Moline Favored But GCHS Ready to Sock It to 'Em in State Wrestling

State competition — the highest level of achievement for Illinois high school wrestlers — will occupy five Granite City student athletes tomorrow and Saturday.

The attention of fans of the mat sport in this region will be focused on the University of Illinois Assembly Hall, Champaign, where the Warriors reported today.

Hopes rest on the wrestling skill and experience of five GCHS team members, each bidding for one of 12 weight championships. Sixteen grapplers have the same idea in each of the 12 categories, each of the 16 having earned sectional championship or runner-up honors last weekend.

**Impressive Records**  
Warrior state qualifiers and their season win-loss-draw records with team totals follow:  
103 pounds, Bob Miller (38-4-0-157);  
112, Al Bridgeman (29-0-0-108);  
127, Mike Christopher (32-6-1-130);  
138, Tom Niebur (28-14-1-83);  
145, Tim Wallace (34-4-0-134).

Their records indicate that Miller, Christopher and Wallace may have the best chance at an individual state title, but a knee injury at the district tournament could prove troublesome to Wallace.

At least two of those eliminated in the sectional were state title threats, particularly 154-pound Rick Smith (31-4-0-138) and 160-pound Bruce Miller (34-4-0-134).

Four seniors competing in the state are juniors, and the other four Warriors competing at Champaign are seniors. Bob Miller and Wallace share tri-captain duties with Smith, also a senior.

Among those who have completed their GCHS mat careers are Pates, Ferguson and Nighossian. Burcham is a junior, and Bruce Miller and Mizerski are sophomores.

Activities will begin at Champaign at 7 p.m. today with a meeting attended by participating coaches, including Warren Schmitt of GCHS. An hour later, elected district representatives will confer with the wrestling advisory committee of the Illinois High School Association.

Weigh-in will take place between 9 a.m. and noon tomorrow, with first-round bouts starting at 1 p.m. and the second round at 7:30 p.m. Friday.

**Saturday Schedule**  
With the field being rapidly narrowed, weighing at 9 a.m. Saturday will require only an hour. Wrestlers will be allowed two pounds over their regular February weight, with a net

weight increase of four pounds permitted.

Semi-finals and initial wrestling bouts are slated for 9 a.m. Saturday, with consolation matches to decide third, fourth and fifth places at 4 p.m. Then, at 5:30 p.m., Saturday, state championship bouts will begin.

Moline is the pre-tournament favorite after taking top honors in the Peoria sectional meet. Second choice is East Leyden, second in the state last year to Dekalb and winner of the 1969 West Leyden sectional.

Moline will be represented by three sectional champs and three runners-up, compared to two Warrior sectional titlists and three GCHS runners-up.

**Previous, Ottawa Strong**  
Other strong teams include Providence West (three champs and a runner-up), Joliet sectional winner, Tilden (4-1), Chicago winner, Argo (3-0), Champion of the Reavis Oak Lawn sectional, North Chicago (3-3), champion of the Waukegan tourney, and Ottawa (5-0), Normal sectional champion.

An unusually large total of five state champion wrestlers is back to 1968 laurels. The titlholders are Mark Malley (29 wins and no losses this season) of Decatur, Rick Kerber (19-4) of Waukegan, Mark Massey (38-1) of Savanna, Tom Neuses (11-1) of Park Ridge, Main South and Ken Monroe (23-0) of East Leyden.

Malley (145 pounds) and Monroe (165) are defending at those

weights, but Kerber has moved up from 103 to 112 pounds, Massey from 120 to 138, and Neuses from 138 to 154.

Their presence makes the job a bit tougher for Bridgeman (112), Niebur (138) and Wallace (165).

**First-Round Foes**  
First-round pairings send Bridgeman against Mike Herber (30-1-2 record) of Savanna, Niebur against John Mullin (30-2-0) of Rockford Boylan and Wallace against Larry Tero (24-0-0) of Chicago Dunbar.

Christopher, 127-pound sectional champion, will wrestle Jim Conry (28-4-0) of Richmond Central in his first bout at Champaign.

Bob Miller, 103-pound sectional titlist and the only one of the five GCHS qualifiers who also wrestled in the state meet a year ago, is paired with Steve Harper (8-7-1) of Moline. Miller reached the second round in 1968.

Although not the favorite, GCHS takes a highly respected record to Champaign, having lost only one sectional meet this season. It was another Southwest Conference mat championship and has now won more consecutive sectional titles, 16, than any high school team in Illinois.

Mark Massey, own one state wrestling team championship as well as a number of individual state titles and have scored 38 points in 11 sectional meets, the exception being in 1969.

### Triad Takes Title as Trojans Topple Shells

Earlier in the season the Roxana Shells beat the Madison Trojans 92-70 and dampened all local hopes for first place in the Midwest Conference. But the Trojans turned the tables here Tuesday night, shocking the Shells 80-79 and depriving them a share of the conference basketball championship.

The MHS victory gave the Trojans their first state championship, 7-3. Roxana finished with four straight losses after winning the first six league games. MHS can garner a 5-4 record by winning at Highland tomorrow night.

The local squad played "one of the best games we have played for the whole season," they fought on, however, tough on defense and most of all cut down considerably on fouls.

Up to this game the Trojans had been committing too many fouls and it directly cost them three ball games, the coach believes.

**Big Early Lead Falls**  
The Trojans led at the end of the first quarter 17-7, but only by 36-33 at the half before stretching it to 62-55 entering the fourth period.

In the first half, with only 57 second to go, we seemed to be in trouble. We had gained a 15-point lead but in the last minute had eight straight fouls called against us and the Shells almost caught up.

"When we came back on the floor, the boys were fired up with the determination that they weren't going to get beat. As a result, we looked the better team of this season."

"We scored in double figures every quarter, combined with an outstanding defensive game from John Ervin, Dave Hutchinson and Jim Scott. They stole the ball several times and also forced Roxana to give up the ball three times when the Shells couldn't get the ball across the 10-second line in time."

The closest Roxana came in the late going was six points, at 76-72.

Scott, Hutchinson, Ervin scored for the Trojans. Scott 20, Hutchinson 19, Ervin 15, Oscar Hagler 13, Ed Hill 10, John Harper eight, Tom Noel two, Joe Dotter two and Bill Cannon, one point.

For the evening, The Trojans shot 52% from the floor compared to 40% for Roxana. The Shells managed only two field goals in the entire first quarter.

A big difference was that the Trojans gave up 29 points on enemy free throws compared to 40 the last time the two clubs met. Madison nestled 19 free throws and had a 36-25 edge in field goals.

**Surplus Store Named State Fishing Awards Station by Magazine**  
Sports Afield, one of the world's leading outdoor magazines, has announced the appointment of Surplus Discount Store, 18th street and Niedringhaus avenue, as an official State Fishing Awards Station.

The Illinois State Fishing Awards program is not a contest to see who can catch the biggest fish. Rather, it is a program to commemorate memorable moments in fishing by citing meritorious catches in two ways:

(1) The immediate awarding of a parchment certificate to each angler catching a qualifying fish.

(2) The awarding of a special certificate and a sterling silver Sports Afield Sportfish Pin to the "best in state" of each species, annually.

The eligible species of fishes and their qualifying weights have been chosen by the Illinois fish and game department. Entry blanks listing these fish are available at the Surplus Discount Store.

Fishermen can qualify for these awards by entering their catches within 60 days after catching. Fish must be caught on sporting tackle in Illinois public waters. There is no charge for entering.

Recipients of the top awards will be listed each year in Sports Afield, and kept in a national register for record purposes in the years ahead.

In the back row are Tom Niebur, Tim Wallace and Mike Christopher.

### 45 Teams Preparing for Spring Soccer; Six Games This Weekend

The YMCA Soccer Association spring session will officially get underway this weekend.

The three older age groups will begin competition Saturday, with teams in the four younger divisions scheduled to begin competition the following Saturday, March 8.

The season will run through April 26, with games scheduled mostly on weekends. With 45 teams set to play, Ruben Mendoza, athletic director, notes that "our program gets larger and larger each season."

"Our latest expansion brings in two teams from Caseyville for the spring season and it is expected that other teams from that area will follow for the fall season."

**6-10 Age Predominates**  
The seven divisions are Pee Wee (six and seven-year-olds), 1st Year Atoms (age eight), 2nd Year Atoms (nine), 1st Year Bantams (10), 2nd Year Bantams (11), Midgets (11-12) and Juvenile (13-14).

Teams in the seven divisions, in order, total six, nine, nine, seven, four, five and five.

Although the Pee Wee division is composed of six new teams, this is the same number of teams which competed in that division last fall. The division changes completely in each spring season.

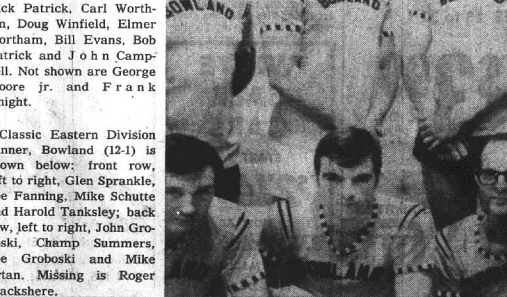

At the other end of the ladder of advancement, the Juvenile squads are teams that competed as Midget division teams in the past season.

The Pee Wee division, St. Elizabeth will be managed by

Not shown are George Moore Jr. and Frank Knight.

Classic Eastern Division winner, Bowland (12-1) is shown below: front row, left to right, Glen Sprankle, Joe Fanning, Mike Schutte and Harold Tanksley; back row, left to right, John Groboski, Champ Summers, Joe Groboski and Mike Tritan. Missing is Roger Blackshere.

### Referees Selected for Basketball Regionals

Fred Brunzel of Staunton and Ted Search Jr. of Chester were named today by the Illinois High School Association to referee Games 2, 4, 5, 6 and 7 at the Wood River regional basketball tournament next week.

Bill L. Griswold of Dupu and Stanley Serwatka of East St. Louis, a former Madisonian, will officiate at Games 1 and 3. Cahokia regional referees will be Robert Fries of Centralia and William McFarland of Belleville for Games 2, 4, 5, 6, 7 and John M. Murphy of Collinsville and James C. Stoffel of Belleville for Games 1 and 3.

Granite City designated referees will be Robert Fries of Centralia and William McFarland of Belleville for Games 2, 4, 5, 6, 7 and John M. Murphy of Collinsville and James C. Stoffel of Belleville for Games 1 and 3.

### Wheeler on Illinois State U. Champion Gymnastics Squad

Wayne Truex, who coached Illinois State at Normal to the Interstate Conference championship last week, was a varsity gymnast at the University of Indiana. Big 10 schools' coach, Truex, who is in his last year as Indiana coach, was Truex's tutor.

Adding to the interest is the fact that Illinois State has never defeated a Big 10 Conference gymnastic team.

Truex thinks his strong punch in the trampoline event could be the deciding factor against Indiana. Big 10 schools' coach, Truex, who is in his last year as Indiana coach, was Truex's tutor.

# THE MADISON COUNTY SPORTSMAN

By DON HASTINGS  
County Conservation Officer

The delay in receipt of fishing license by clerks created some confusion and many phone calls, but most clerks should have them by now. Your old 1968 fishing licenses were good until the new ones were available. The same is true with commercial and other licenses. This is again the time of year to remind store owners or anyone that sells fish native to Illinois for food that their 1969 retail fish license is due.

Annual inspection of markets has begun so be sure your application has been sent in.

Another reminder and warning at this time of the year is being issued to the groundhog hunters.

Get out of the car and off of the road before you shoot and know whose property you are shooting on. Most farmers are glad to see you kill groundhogs, but they want to know who it is and when you are hunting and on what part of their ground.

The practice of simply driving country roads and shooting at any groundhog you see is neither safe, legal or sportsmanlike and must not be practiced. The simple fact that an animal is considered a pest does not condone illegal hunting.

I was very happy the past month to be an instructor at the annual conservation school at the Outdoor Lab of SIU at Carbondale. This school, put on jointly by SIU and the Illinois Federation of Sportsmen is for high school students interested in conservation. It consists of a one week course by SIU staff and personnel from various divisions of our department. Over

100 students from all over Illinois attended the five courses. I can report a large progress on my woodland project. The soil conservation agent for Madison County, Dale Sherrard, made a survey of it and gave me some recommendations. Remove the small trees from both sides of the lake dam and reseed it in grass. Roots of trees if allowed to grow will grow toward the water and through the dam will allow water passage and possible erosion later.

Investigate the possibility of a spring above the lake. Some shortage of watershed for the lake makes summer evaporation a problem. A small ditch above the lake has some spring water and if it is furnished a booklet on spring development.

Protect high bank on Silver Creek from more erosion with some form of rip-rap. A booklet on using available material for this was also furnished.

Plant some pines around lake, along the swampy water below dam to Silver Creek.

This could be accomplished by a small ditch with pipe at the end into the creek to prevent erosion. All in all, he felt we were in good shape, soil conservation wise, and we expect to take the recommended steps as soon as possible.

Next we expect a visit from some of the SIU staff of this district for recommendations on habitat and food plots. The staff will be furnished with a list of what landowners can use and are interested.

## Red Devils Whip Mascoutah, Dupo; Play Tomorrow for District Title

The Venice high school Red Devils basketball team advanced to the championship game of the Dupo district tournament Friday evening by beating the host club 70-67 last night.

The local squad will play the winner of tonight's O'Fallon-Columbia game tomorrow at 7:30 p.m. at Dupo.

Coach Bill Ollendorf reports, "We played Columbia earlier this year on their own floor and beat them by six points, but we haven't played against O'Fallon. However, I have seen them play twice and they have a very impressive team."

"O'Fallon's a lot larger than we are, having two inside men who are 6'5" and 6'8". Dupo beat O'Fallon earlier in the season by six, and we beat Dupo."

**10-Point Splurge**

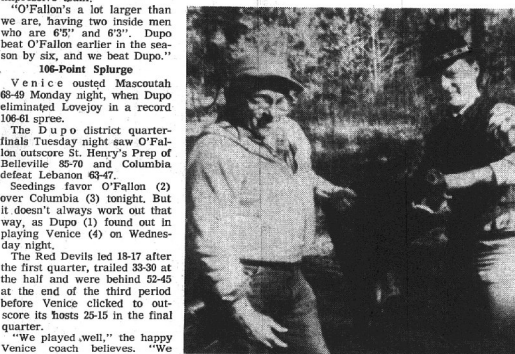

Venice ousted Mascoutah 68-49 Monday night, when Dupo eliminated Lovejoy in a record 106-61 spree.

The Dupo district quarterfinals Tuesday night saw O'Fallon outscore St. Henry's Prep of Belleville 50-70 and Columbia defeat Lebanon 63-47.

Seeding favor O'Fallon (2) over Columbia (3) tonight, but it doesn't always work out that way as Dupo found out when playing Venice (4) on Wednesday night.

The Red Devils led 18-17 after the first quarter, trailed 33-30 at the half and were behind 52-45 at the end of the third period before Venice clicked to outscore its hosts 25-15 in the final quarter.

"We played well," the happy Venice coach believes. "We were tough on rebounds, and our defensive press took effect, forcing Dupo to make some costly mistakes."

**HUNTING TROPHY** of a wild black bear is held by William Null (right) following a two-day hunting trip at the Black Beard Hunting Lodge, Dover, Ark. Also holding the head of the 200-pound Russian boar is chief guide Harold Clark. Null resides at 712H Meadowlane drive and is employed by the Southern Cross Lumber Co., St. Louis.

## Meeting Tonight on Park Boys' Baseball

An organizational meeting of all managers and coaches of teams in the Granite City district boys' baseball program will be held this evening at 7 o'clock at the Community Center, 822 N. Ringwood avenue.

Main object of the meeting will be to break down the teams into divisions, and discuss rules that will govern this year's program.

Harold Brown, park superintendent is reminding all managers and coaches that tomorrow is the last day that player releases from last season can be made. After tomorrow, all releases will have to be approved by the Rules and Pro-Test Committee.

## Simpson Could Set Scoring Mark Friday; Last Home Game for Seven

One of the most outstanding basketball players to come along in many years will make his farewell home appearance Friday night at the GCHS memorial gymnasium as the Warriors meet the Cahokia Comanches in the last regular season game of 1968-69. Regional tournament play will begin next week.

Gary Simpson, who has been a starter on the varsity squad since his sophomore year, is one step away from breaking a season scoring record held by Rich Williams since 1960. Simpson has 824 and the record is 838. Williams is now coaching basketball at Coolidge junior high school.

Simpson will be playing his 25th game to try for that total, while Williams played 32 games.

**From Career Record**

Simpson's career total is 1416 points and the school record is 1404, also held by Williams. If team leader and a tough cutout, Simpson advances far enough in regional and sectional competition, Simpson could have a chance to also break that record.

Coach Donald Deterding says, "It is definitely one of the best I have ever coached. He has a lot to learn about playing college basketball, but I believe that he can play as a starter at one of the major colleges."

"Watching Gary is something in itself. He is fantastically quick, uses good foot sense. What I mean is that he knows what to do and knows when to do it."

**VanBuskirk Team Leader**

Simpson isn't the only warrior senior who will be playing his last home game. Another standout over the last three years has been John VanBuskirk. He and Simpson have been starting guards for the past three seasons.

Simpson is known for his shooting and dribbling ability and VanBuskirk is noted for his defensive moves as well as offensive bursts. "John is a real team leader and a tough cutout. He runs the team when he is on the floor," the coach comments.

Others making final appearances at home will be Rick Hutchings, Roger Belsh, Larry Pirtle and Rick Thompson. Also, a junior, Bill Pisel, will play his last home game having completed his eligibility.

**Senior Cheerleaders**

The basketball squad, of course, that for the farewell performance of the seniors on the team, Saturday, April 12, will be leading basketball cheerleaders in the Warrior gym for the last time—Ruth Diak and Barbara Kutowski, co-captains, and Darla Walton and Mary Ann Minare.

All four have had two years of experience on the varsity cheerleading squad and Misses Diak and Kutowski were wrestling cheerleaders last year.

Coach Deterding says, "I hope that for the farewell performance of the seniors on the team, Granite City fans will fill the gym Friday evening. This could be the most remembered tribute that the local Warriors fans could give this season's hard-playing team."

## Warrior Sophs End With Overtime Loss

The Granite City high school Warriors sophomore basketball team finished its season with a record of 11-8 here Monday evening, dropping an overtime contest to Cahokia 62-61.

The local squad trailed 16-12 at the end of the first quarter, but took over the lead 26-27 by halftime. The Warriors led 42-36 going into the last quarter but then were forced into overtime by a 57-57 deadlock.

Don Harris led Warrior scorers with 15. Jim Ireland had 13, Mike DeRuntz 10, Eric Suter eight, Rich More eight, Mike Wilson five and Dennis Kunemund, two.

A victory tomorrow would give Venice its fifth straight district championship and advance it to a Cahokia regional game with Belleville East Monday night.

## Soccer Meeting Saturday at YMCA

A meeting of managers and coaches of teams in the YMCA Soccer Association will be held Saturday at 10 a.m. at the YMCA.

All team rosters and money must be turned in at that time.

## School Bus Service Depends on Pay Talks

Whether school bus routes will operate in the Granite City district unit district beginning Monday depends entirely on whether there is a settlement of current negotiations between bus drivers and the Bi-State Transit System.

School officials noted today that a Friday midnight deadline has been set in pay talks between drivers and the public transportation system. All Bi-State System operations could be affected, including the school service it provides on a contract basis.

If buses are not available starting Monday morning, it will be up to each family to see to it that its children reach school. Those currently transported are the pupils who reside a mile and a half or more from the school attended.

School authorities urged that parents keep in touch with the progress of the transit employee negotiations tomorrow and throughout the weekend.

Bi-State Transit officials said this morning that negotiations with Amalgamated Transit Union Local 788 were continuing today and will continue until each an agreement is reached.

A devout churchwoman, she had played the organ at the St.

## Six Candidates File for Local School Elections

Four school board incumbents in Granite City and Madison and one incumbent and another resident in Venice filed petitions yesterday at the three local school board offices.

The filing period opened Wednesday and will continue through March 22. Final withdrawal date is March 25. Two board members are to be elected Saturday, April 12, each of the three local school districts for three-year terms.

Filing for the Venice board of education were incumbent Fred Rumpf, 620 Washington avenue, and William C. Johnson Sr., 390 Third street. Incumbent Board President Michael E. Leatherman Jr. has not yet filed, according to the Venice office.

Granite City District Nine incumbent board members filing were Arthur L. "Pete" Metcalf, 2718 Cayuga street, and Monroe Worthen, 2845 Fort Street.

Madison incumbents filing were William Schuber, 1913 Harris street, and William Weaver, 1807 Fifth street.

**Accident Correction**

The listing of Shirley Graham, 2134 Ohio avenue, was hit in the rear by a truck operated by Marion E. Weiss, 2854 Washington avenue, instead of the circumstances as noted on page eight of Monday's Press-Record.

## Boy, 6, Hit by Truck in Venice

Byron Bell, 6, son of Mr. and Mrs. Eugene Bell, 1227 Calhoun street, Venice, was admitted to St. Elizabeth Hospital at 9:10 a.m. Tuesday after he was injured by a truck backing out of an alley at the rear of Blair school at Mercedia street.

The boy suffered abrasions and was given x-rays of the ribs, skull, facial bones, spine and legs. His condition was reported good.

Venice police said Wesley E. Jones, Rural Route One, Granite City, reported he had made a delivery at the school and was backing out of the alley when he heard a thump. When he got out, he said, the boy was lying at the right rear of the truck.

Mrs. Maureen Soiers, 29, of 2589 Stratford lane, underwent surgery for her back at St. Elizabeth Hospital and was released, following an accident at 4:40 p.m. Tuesday at 21st street and Edwardsville road when an auto driven by Mrs. Soiers was struck in the rear by another vehicle, operated by Roy Woodell, 63, of Rural Route One.

## Two GC Caseworkers Named for Public Aid

Mrs. Barbara Ellen Rauch, Rural Route One, Granite City, and Mrs. Sandra Jean Riedel, 2633 Iowa street, were appointed as caseworkers for 19 county departments of public aid. It was announced today by Harold O. Swank, director of the Illinois Department of Public Aid.

The appointments were made among applicants to 13 statewide offices of county departments, of public aid.

## MORE ABOUT Lakeside

U. S. Agency did not specify Lakeside Airport as a suggested site, it has designated an area "between Collinsville and Granite City" as a possible local feeder airport location.

Collinsville officials said yesterday that the city's action at present is "only something to consider under consideration" and that there has been no definite determination that Collinsville will undertake such a project. Officials admitted, however, that a letter asking the state to make the feasibility study had been sent.

## Was Informative Session

They added that last week's meeting with state officials was only an informative session to inform a procedure of the program.

No estimates of cost for construction of an airport under consideration of the federal and state grants, so long as they were able to provide a 25% matching share and provide a site approved by the federal government.

Federal approval of an airport project would depend upon the outcome of the survey made by the State Department of Aeronautics, it was said. Collinsville officials said they have yet received a response to the survey request.

## Retired Mitchell Postmistress, Mrs. Hawks, Dies

Mrs. Mary May Hawks, 74, of 5173 Old Alton road, postmistress at Mitchell for 42 years, died Monday at De Paul Hospital, St. Louis, of cancer.

A lifelong resident of Mitchell she began her duties as post office in 1922 and retired in 1964. During this time she also operated a grocery store adjacent to the post office, for 50 years.

A devout churchwoman, she had played the organ at the St.

## Dewey Avenue WSCS Meets

The Women's Society of Christian Service of the Dewey Avenue United Methodist Church met Tuesday evening at the church.

Gladys Potillo, president, presided and the meeting was opened with a song. Katharine Jones was pianist.

Devotions were led by Mrs. Wilma Ambury, and the program consisted of a skit entitled "This is the New Day" by four district officers, three of whom were guests. They were Mrs. Dorothy U. of Granite City, Mrs. Helen Woods, Mrs. Nina Abraham and Mrs. Dorothea King of East Alton.

A letter was read from Larry Ambury, who is in service in Vietnam, and a report was given by Mrs. Mary Dobbins of Edwardsville and a sister-in-law, Mrs. Mary Dobbins of Edwardsville.

Funeral arrangements are given in today's obituary column.

## Plan Repair of Emerson Wall

Bulging brickwork at Emerson grade school has been roped off and the Granite City school board last night authorized the Worthen Brick Co. to eliminate the hazard.

Because the extent of the project cannot be determined in advance, the work was awarded on a cost-plus basis with the total estimated to be between \$200 and \$300.

Tully A. Huebner, director of buildings and grounds, said bulges above windows on the 20th street and Benton sides apparently result from heavy rains and freezing weather.

The school will be re-bricked from window lintels to the top, involving a strip five feet wide on one side and seven feet wide on the other side for the length of the walls. Fire walls also will be repaired. A concrete roof will be necessary.

The cost-plus plan resulted in economies paid for by the central junior high school, board members commented.

A policy for identification of 1963 student autos with red tags was adopted effective with the fall term.

**Pilot Science Program**

The school has begun photographic slides and heard a narration from Mrs. Patricia Mueller, Central junior high science instructor, on a "time, space and matter" pilot program established at Central in 1968-69.

"There are no textbooks; the students write their own text," she explained. "Each has a simple kit of tools with which to solve the problems."

"The student is the prime investigator, discovering by discussions and experiment the same kind of scientific fact memorized in traditional science classes."

In the first semester, students responded well and for the most part accepted the responsibility of learning to the best of their ability. They read, administered their own tests, producing as well as they could.

"The class studies the physical world. Investigation books which are mainly photographs are used to expose them to each step of a planned study sequence. The teacher role is one of a model student investigator subtly directing ideas into a meaningful tool toward new problem solutions."

In other business, the board considered a personnel matter and recessed until tonight to discuss it further.

**Easter Holidays**

It was decided to declare Monday, Tuesday, April 3, Easter Monday, April 7 and Easter Tuesday, April 8 as school holidays. Good Friday also is a holiday.

Use of Nidringhaus school as a city election polling place April 1 was approved 5-1, with Donald Stucke dissenting and Harold Davis absent, after an earlier 3-3 tie vote. The motion which carried asked the city to find a different polling place if at all possible, to avoid possible disruption of class work.

Mrs. Henrietta O. d. m., 3201 Newell drive, was hired as secretary to psychologists in the Quad-City special education district, for which Granite City schools serve as the administrative district.

A petition with 870 signatures was received, suggesting that one of the two new grade schools authorized by voters in December be named for Earl Lee, former Namekoi school principal, who is retiring this spring as personnel administrator of the school district.

## Armed Bandit

Station, Eighth street and Madison avenue. Three cars of police responded and officers surrounded the station.

Officers reported that entry was gained by breaking out a side window. Lones was inside the station. A fire tool was used near the broken window, they said.

**House Burglary**

A burglar entered the home of Beverly Nolen, 2119 Delmar avenue, through an unlocked front door and removed a 19-inch portable television set and a portable transistor radio, the owner told police at 12:25 a.m. Tuesday. There was no sign of forced entry and the thief left the house through a rear door.

**Thieves Hit Tavern**

Burglars pushed in a rear door at the 20th and Park Tavern, Madison, Tuesday night, and by pulling a steel gate from a door frame between the dance and bar areas, the thieves used a hammer and screwdriver from the bar to force open coin boxes on several machines, Madison police reported. The thieves entered the city street, reported to police at 6:35 a.m. Tuesday.

An undetermined amount of money was taken from the juke box and pool table. Also taken were four items, including a beer mug full of pennies which were kept behind the bar. An inventory of liquor supplies was to be made by police Tuesday.

In the second break-in within a week at the Deep Rock Tavern, police said Tuesday, the thieves used a hammer and screwdriver from the bar to force open coin boxes on several machines, Madison police reported. The thieves entered the city street, reported to police at 6:15 a.m. Tuesday.

**\$250 Tilt-Tapping**

About \$250 in cash was taken from the Clark Street Tavern, 2005 Madison avenue, around 2:30 p.m. Tuesday, Ben Johannpeter, an employee told police a few moments after the theft occurred.

He said a man who had been using the telephone in front of the building was seen running west on 21st street just before the attention returned to the station office and found a cash drawer open and the bill missing. A description of the suspect was given to police.

Cash stolen included a packet of fifty \$1 bills, fifty \$5 bills; and thirty \$5 bills.

To gain entry into the Unique Hair Fashion Shop, 2726 Nassau, old road, burglars removed the hinges from a rear door. Don Watson, 3292 Fair Oaks drive, Madison police reported, was in the store Tuesday evening.

Watson reported that \$25 in cash was taken from a drawer and an assortment of women's wigs and hairpieces also was stolen. A list of missing items was to be compiled by the store proprietor and turned over to police.

**Television Stolen**

Burglars forced open a soda machine and took coins worth less than a dollar at Lee's Auto Body Shop, 1530 Madison avenue, Monday night. Tuesday morning, Madison police reported. Lee Abernathy, operator of the shop, said burglars that also missing were a portable television set and an electric pin sharpener. There was no sign of a forced entry, police said.

About \$2 in coins from a cigarette machine was all that apparently was missing in a burglary at the Madison Automobile Sales and Service, 2008 Madison street and Madison avenue, Madison police reported at 8 a.m. Tuesday. To gain entry the burglars broke two windows out of a furnace room.

Upton Gardner, owner of Gardner's A&G Market, 2237 Illinois avenue, reported to police Monday that a man and woman had been seen loading produce items into a car from the front of the store that morning and had left, going north on Highway 3. The woman was reportedly wearing a red coat.

Missing from the store were a number of cases, a case of onions, a case of onions, valued at \$8.

Theresa Higginbotham, 2514 Jordan avenue, reported to police at 8:15 p.m. yesterday that her home had been entered between 9:15 a.m. Tuesday and last night by burglars who ransacked the living room, bedroom and kitchen and removed a jar containing coins from the bedroom.

Entry was gained by breaking a small glass pane in an outside door and reaching in and unlocking it. It was not known if other items were missing when the report was made.

## Graveside Services For Wolf Infant

Private graveside services will be held for the infant son of Mr. and Mrs. David Wolf, 4801 E. 24th street, who was stillborn, Thursday, at 3:34 a.m. at St. Elizabeth Hospital.

Other survivors include: Shirley Renee, two years old; and grandparents, Mrs. Beatrice Co-

## Committee of 20 To Seek Greater School Efficiency

A 20-member committee was created by the Granite City school board last night to conduct a study to determine if it is possible to improve the structure of instruction in the community unit school system. The committee will deal with the content of instruction.

Non-school personnel appointed George Becker, Arthur Griffin, William L. Harris, Ernest A. Karandjef, Mrs. Twila McKinney, J. J. Pitman, Irvin State, A. P. Steinhauser, Bill H. Terrell, Ernest E. Veihl Jr. and William F. Winter.

School employees selected were Victor G. Anderson, Tully Heubner, Mike Sikora, Gilbert McKinley, Les Beyer, George Georgiana VanBuskirk, Harry Lane, Mrs. Ertha Scott and Mrs. Leigh Holman.

The committee, established for a one-year period, will be empowered to name others to the committee and invited to a school board meeting, probably March 10, and then will meet on its own at times it selects.

**Planned Before Bond Vote**

Supt. Bob J. Davis commented last night, "At the time the school board approved calling the December 1968 bond issue, referendum election, the board also approved creation of a citizens' committee to study operational methods, procedures and concepts to determine if and how these could be improved."

The name chosen is the Citizens' Study Group for Educational Efficiency, a 20-member committee of 20.

Its mission and guidelines were explained by Supt. Davis.

"The recently successful bond issue and tax referendum proposals provide immediate and urgently needed assistance in this school district's efforts to sustain a quality education program for the community."

"Foreseeable enrollment increases, salary demands and the influence of new state laws reasonably be expected to result in continuing rising costs in the future. Such cost escalation requires the use of significant resources which must be dealt with in advance of the crisis."

"Reduction of this impact will probably require additional revenue. The sources of additional revenue are difficult to identify precisely. Some additional state aid will probably be needed."

"Continued judicious use of all available federal aid will be required to maintain the status quo. As past experience indicates, though, it is more likely that the bulk of the additional revenue will fall to the local taxpayers."

**In-Depth Study of Methods**

"The committee to study this impact could possibly result from economies instituted from within the district itself. Additional revenue are already realized in the conduct of routine business."

"The pressures of routine business, however, too frequently preclude the possibility of making in-depth studies of operational procedures, methods and concepts with an aim toward taking advantage of the school's own resources. This is the area to which the Citizens' Study Group should address its efforts."

"It is the desire of the school district to realize maximum efficiency while maintaining optimal educational productivity, and while absorbing the impact of the additional requirements of the state of society and the economy of the future."

## South Africa Safaris Topic of Travelers

Scenes photographed in Kenya, Tanzania, Uganda and the Belgian Congo were shown in color photographic slides to the Travelers' Club members Monday night at Prather school by Miss Alice Purdes, a local teacher who spent three months touring South Africa in the summer of 1967.

Lions, rhinos, hippos, elephants and cheetahs shown as safari groups "hunted" them with cameras in week-long journeys by vehicle into areas where wild animals roam freely, the club was told.

## Another Shootout

agents reported to him that they staked out the area near the parked freight cars last night after a freight car had been loaded Tuesday night of about 4000 pounds of slab and rolled copper worth about \$2000.

The detective group, with a team of detectives staked out the freight cars while another agent remained in an auto parked on the outskirts of the area.

About 8:30 p.m., the agents saw a group of men approach the rail cars. They notified the agent in the auto by walkie-talkie and he, in turn, notified Madison, Venice and Madison county authorities to surround the area.

Near the rail cars, the railroad agents waited until the thieves broke open the car and removed part of the copper shipment which they hid in weeds along the Terminal right-of-way.

The agents then approached the freight cars, and in order to get the men to talk, identified themselves as police. The group of men, believed to include four who began firing in the direction of the detectives, who returned the fire. The agents said they did not know if any of the thieves was hit by bullets.

The quartet then fled on foot, apparently to cars parked elsewhere in the area.

Venice police reported they had been assigned to the vicinity of the school and after the shooting were returning to Venice over Race street in Madison. As they approached the Washington avenue intersection, the shooting was returning to Venice over Race street in Madison. The white car continued on Washington avenue into Madison, where it occurred, but the red car turned left at Market street toward Broadway with the police car following. As the red car approached Broadway, authorities said, an object was thrown out the window.

The car ran the stop sign at Broadway, turning north on Madison avenue to Third street where it turned again. It ran the red traffic light at Third and Madison avenue and continued to Washington avenue.

The Washington avenue car turned again toward Market street, turned on Market to Broadway, and continued on the viaduct at a speed of 90 miles per hour, the Venice officers said. The car turned left again at Market street, sped to Washington where it turned right.

A Madison police car meanwhile had been directed to the Venice area and it cut off the fleeing auto at Seventh and continued to Washington avenue.

## Jr. Service Club Fashion Show, Tea Sunday, SIU-SW

Using the theme, "Fashion in Bloom" the Granite City Junior Service Club will present their annual Fashion Show and Tea Sunday from 2 to 4 p.m. at the Southern Illinois University-Southwestern campus ballroom in the University Center.

General chairman for the show, Mrs. Geri Gavlik, has announced the commentator for the show will be Thom Lewis, St. Louis television personality.

All proceeds are to be used to further the club's charity projects.

Mrs. Gavlik said this week, "A taxi service from the parking lot at SIU to the ballroom will be conducted by university boys."

Passengers are requested to compensate them for their

service by paying ten cents each for transportation.

Seventy models will take part in the event including six children under 10 years, teenagers and adults. Several adult models were selected from Granite City civic organizations. All fashions will be shown through the courtesy of local merchants.

Mrs. Audrey Jaros, chairman of the models committee, said a practice session is to be held Saturday at 1 p.m. at the Civil Defense building.

Tickets for the show may be purchased from any member or at the door. Prices are \$1.25 for adults, \$1 for students and 75 cents for children under 12. Prizes will be awarded during intermission.

Mrs. Jean Vrenick serves as chairman for the ticket committee.

### DINNER, DANCE TOPICS OF EAGLES AUXILIARY

## TORO FOR 1969

Dramatically New...  
Traditionally Toro

With 55 years of experience Toro has established itself as a leader in the turf and yard care field. One of the prime reasons for this success is the innovation of customer pleasing features on its products. Toro is a leader and not a follower in incorporating new features that add true value to the Whirlwind mower line. 1969 is no exception.

This year Toro's revolutionary Key-Lectric starting has been incorporated into the 19" model making it a truly remarkable value. A new safety shield behind the mower which protects the operator's feet from thrown objects is standard on all Toro models. The simplest and the quickest folding handle in the industry is standard on all 21" models.

### SCOUTING BANQUET AT WILSON SCHOOL

An annual blue and gold banquet, commemorating the birthday of the scouting movement, was held at Wilson school Monday evening. Awards were presented to members of Cub Pack 122 and Boy Scout Troop 122, sponsored by the PTA unit.

The program was opened by Cub Mike Spicer, Scout Scott Pitchford, David Jones, representing an Indian, and Webelo David Stinson. A flag ceremony was conducted by Jim and Randy Bellings, Bob Mezo and Greg Moutria, and the audience repeated the pledge of allegiance.

Prior to the banquet, the senior patrol leader, Steve Benson Jr., led the families in prayer. The scouts provided meat and the parents brought covered dishes.

Guests seated at the head table were Ted Vrenick, principal, Mr. and Mrs. Bob Anderson (Mrs. Anderson is PTA president), Robert Miller, scoutmaster, Joseph Moutria, cubmaster, Steve Benson Sr., assistant cubmaster, B. J. Rodgers and daughter, Cindy, Neighborhood Commissioner Foster and Frank Webb, committee chairman.

Curt Stover presented the following badges: bobcat, Steve and Richard Bechtle; wolf badge, Keith Beasley; wolf with gold and silver arrows points, Mark Carroll; one gold and four silver arrows, Chris Waters; and gold and silver arrow and bear badge, Mike Spicer.

Webelos awards were presented by Bill Bellings, leader, to: aquanauts, Bob Mezo and Jim Barrs; putdoormen, David Lewis and Randy Bellings; artist, Bob Mezo; geologist, David Lewis; naturalists, Bob Mezo and David Stinson; forester, David Lewis; and sportsmen, Jim Barrs and Bob Mezo.

Bellings advanced Webelos Larry York, Jim Bellings, Mike Taylor, David Jones and David Lewis to Troop 122 and they were welcomed by Scoutmaster Miller. Den chief cards were presented to Scott Cabb, Steve Benson and Eddie Bellings.

Frank Webb announced that a "pinewood derby" will be held March 24, and he presented

### Polling Place Changed

A change in the polling place of Precinct 6 of Nameoki township was announced yesterday by Supervisor Harry Briggs, who said voting at the new location will be effective beginning with the March 11 primary election for nomination of a state senator for the 33rd Senatorial District. The new polling location is at Peace Lutheran Church, 2450 Stratford lane. It formerly was located in the Hal Painter residence.

registration cards to Mrs. Kate Waters, Mrs. Mary Jarvis, Mr. and Mrs. Bill Bellings, W. J. Barrs, Joe Moutria, Mrs. Pat Pitchford, William Mezo, Floyd Pitchford and Mrs. Carolyn Wells.

Stover gave a talk on scouting and the program ended with a poem by Edgar A. Guest, read by Larry York.

### UNDERGOES SURGERY

Miss Ellen Gabriel, a daughter of Mr. and Mrs. Paul Gabriel, 2333 Hodges avenue, entered Jewish Hospital, Room 516 at 216 South Kingshighway, St. Louis, Tuesday and underwent major surgery Wednesday.

### YOUTH PROGRAM AT CHURCH THIS WEEK

Mrs. Charlotte Moeller, wife of Rev. Clifford Moeller of the Grace Baptist Church, has announced that a three-day youth program will begin Friday. The public is being invited.

Guests will be a youth team from the Missouri Baptist College in St. Louis, with the song leader Mike Pittman, preacher Dwight Oster, pianist Marsha Flakes and activity leader, Paula Little.

The team will arrive Friday at 5 p.m. to be guests of honor at a dinner with the church's youth council. A service will be held at 7 p.m. The young people will conduct visitation Saturday from 1 to 2 p.m., accompanied by the special team.

The guest group will be in charge of the regular services Sunday morning, followed by a basket dinner in the fellowship hall. Families may attend with the young people. A fellowship period will follow each day's activities.

Mrs. Moeller noted that 92 young people attended the annual youth banquet at the church.

### WILSON BROWNIE TROOP TOURS ANIMAL SHELTER

Wilson school Brownie Troop 490 met there Tuesday with the leaders, Mrs. Frankie Kenney and Mrs. Pat Batey. In lieu of a regular meeting, the girls went on a tour of the Granite City animal shelter.

They were met by two shelter attendants, who discussed the shelter and explained why several dogs were in a quarantine section.

Transportation was provided by Mrs. Patsy Bain and Mrs. Erma Lawson. Making the trip were: Diane Barron, Debbie Beatty, Barbara Bezley, Liz Bradford, Tammy Gelsinger, Kathy Hall, Cathy Kenney, Nikki Kieffer, Kathy Henson, Kathy Lawson, Joyce Mangum, Pam Roberts, Karen Tietloff, Ramona Warren and Jarna Wilson.

**'World Day of Prayer' Program Set for March 7**  
 The Rev. Robert J. Treat, campus minister of Southern Illinois University, Southwest campus, will be guest speaker this year at the annual World Day of Prayer service sponsored by Church Women United of the local churches March 7 at the Nameoki Presbyterian Church.  
 Rev. Treat, who resides with his family in Edwardsville, was graduated from SIU, Carbondale, in 1956. He later studied theology at Drew University, New Jersey, and received a Bachelor of Divinity degree from Garrett Theological Seminary, Evanston, Ill.  
 He served as pastor of Methodist churches in southern Illinois from 1961 to 1967 and in 1967 went to SIU-SW as a campus minister under the sponsorship of the Methodist Church. Mrs. Carl Johnson, wife of the pastor of Peace Lutheran Church, is serving as general chairman of the World Day of Prayer program.

**Pontoon Village Teen Town Will Meet On Friday**  
 The newly-organized Pontoon Village Teen Town was attended by over 200 teenagers for the first opening night, last week at the Long Lake Volunteer Fireman's Hall and another dance will be held tomorrow evening at the recreation hall at 7 o'clock.  
 Mrs. Leigh Watson with the assistance of Mrs. Judy Jones Al DeLayne and Elroy Paschke organized the group to provide a Teen Town for the girls by junior high students and other teenagers in the Pontoon Beach area. There is an admission charge.  
 "Eddie and the Chaparelle's" will continue to provide the music for the present. Teen Town is chartered by parents and interested adults. Additional volunteers are welcome on a full-time or alternate basis.

**Miss Florence Rhoades Dies at Home Tuesday**  
 Miss Florence Rhoades, 74, of 2425 Edison avenue, died at 9 a.m. Tuesday, at home. An invalid all her life, she had been in failing health for two weeks.  
 Born in Macoupin county, Ill., Miss Rhoades lived in Granite City for 65 years.  
 Survivors include a brother, John Rhoades, Osceola, Ark., and three sisters, Mrs. Sabina Killam, Miss Frances Rhoades and Mrs. Mae Lambert all of Granite City.  
 Funeral services are given in today's obituary column.

**GCHS Locker Looted**  
 Robert Tinker, 1964 Johnson road, reported to police at 2 p.m. Tuesday that within the past month items taken from his locker at Granite City high school included a beige cord-roy jacket valued at \$35; a turquoise cloth coat, worth \$35 and three complete sets of gym clothes, such as shoes, socks, undershorts, shirts and towels, valued at \$30.  
 A minor accident at the rear of National Food Store at 5:40 p.m. Tuesday involved the autos of Melba L. Beasly, Rural Route One, and Lillian M. Darrch, 2306 Winters drive.

**Collision Near Store**  
 A minor accident at the rear of National Food Store at 5:40 p.m. Tuesday involved the autos of Melba L. Beasly, Rural Route One, and Lillian M. Darrch, 2306 Winters drive.  
 This organization is a new chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.  
 Galloway said, "Membership is open to men of all ages and occupations who enjoy singing. The most important aspect of the singing is that this type does not require a solo voice or even a knowledge of music. As long as a man can carry a tune he can learn to sing barber shop harmony."  
 More information may be obtained from Galloway at 345-1100, or from Joe Silber, 277-2764, Granite City, and John Pigg, 667-6800 Troy.

**Class Limit of 20**  
**Pocket Billiards Course Is Popular at SIU-SW**  
 The ancient game of pocket billiards has made a remarkable comeback in public interest.  
 On the Northwestern campus of Southern Illinois University, pocket billiards is easily the number one participant sport at the school's University Center recreation area. And the sport isn't strictly for men students. The fair sex is just as crazy about it as the men.  
 Recognizing the interest in pocket billiards, SIU offers a credit course in the techniques of the sport in its physical education department.  
 Limited to 20 students during the Winter Quarter, the class was filled within two hours of the first registration day and many students were disappointed. The 20-member classes, one to be given at the Southwest campus and the other at Alton, will be offered in the spring quarter.  
 Teaching the classes is a former national and international champion pocket billiard champion, William V. Hendricks Alton, a 1968 graduate who also earned a masters degree in 1967 in educational administration at SIU.  
 In 1964, Hendricks won the championship in a field of 25,000 male students from 30 states. The finals were held at the University of Arizona.  
 Hendricks, director of enrollment at Alton Memorial Hospital, also enjoys helping most shy about his accomplishments in billiards. He modestly admitted that he had once defeated the legendary Minnesota Fats in an exhibition match at a St. Louis shopping center.  
 Since world war II, pocket billiards has staged a comeback in popularity, and last year one million tables were sold for home use.  
 SIU-SW's University Center has 15 tables, two regular billiards, one snooker and 12 regular pocket (pool) billiards. These tables are used to teach the classes. The equipment hasn't cost Illinois taxpayers a cent. They are being paid for from fees charged for their use.

### S/Sgt. Morrison with Award Winning Unit

S/Sgt. Victor R. Morrison Jr., son of Mr. and Mrs. Victor R. Morrison Sr., 4120 Melrose avenue, has been recognized for helping his unit earn the U. S. Air Force Outstanding Unit Award.

Sgt. Morrison, a space systems technician in the 400th Support Group at Offutt AFB, Neb., will wear the distinctive service ribbons as a permanent decoration.

The Strategic Air Command unit was cited for exceptionally meritorious service from July 1967 to June 1968.

The sergeant, a 1962 graduate of Granite City high school, has completed a tour of duty in Vietnam.

His wife, Donna, is the daughter of Mr. and Mrs. George M. Smith, 2330 Miracle avenue.

### Operators to Discuss Gasoline Prices

Gasoline prices are to be a topic of a March 12 meeting of the local Service Station Operators and Owners organization, unless a special meeting is called for an earlier date.

A spokesman for the organization said this morning that as far as he knew, no stations in this area had yet increased prices one cent a gallon as is being done in other sections of the two-state area, because of price boosts by refineries.

### Autos Collide

A collision at 23rd street and Madison avenue about 1:15 p.m. yesterday, involved autos operated by Josephine L. Bocian, 1807 Fifth street, Madison, and David E. Ohlendorf, 2873 Spaulding avenue. No injuries were reported.

## Canal Freight Shipments Hit Mid-Winter Decline

Commercial freight shipments through the Chain of Rocks locks and canal went into the usual mid-winter slump last month with a total of only 5,173 tons of freight passing up and down river, according to a report this week of January movements by the U.S. Army Corps of Engineers.

A total of 1,059,285 tons of freight moved through the canals going upriver, while another 1,114,450 tons went down, the report said.

The January freight movements were 432,928 tons less than the 2,606,663 tons passing through the locks during January 1968, and 224,775 tons less than shipments during December.

### Make 385 Lockages

A total of 301 vessels passed through the locks during January while 385 lockages were made for tow boats, barges and other craft. During January last year, 3285 vessels used the locks with 673 lockages.

The report said 2378 barges and 615 towboats passed through the locks last month. In addition, four government barges and two government towboats used the locks.

Shipments during the month included:

Petroleum products, 382,935 tons upriver and 152,650 tons downriver; grain, 26,250 up and 526,400 down; coal, 228,150 up and none down; cement, sand and gravel, 8800 up and 14,100 down.

### Mid-Year Graduates At U. of Illinois

Five mid-year graduates of the University of Illinois for whom diplomas are now being prepared are—

John Edmond Hawkins, 3117 Fehling road, Bachelor of Science; Barbara J. Lacey, 2724 Harvey place, Bachelor of Arts; Angie Mathis, 4006 Veneer avenue, Master of Education; Daniel Alan Neumann, 1531 Cottage avenue, Bachelor of Science; and Joseph W. Starkey, 2864 Iowa street, Bachelor of Science.

## Miss Carol Flach Is St. Pat Queen Title Nominee

Miss Carol Flach, 2651 East 23rd street, is one of the 29 girls from five states who have been nominated for St. Pat's queen at the University of Missouri, Rolla. She is employed as a secretary at the Granite City Army Depot and represents the Engineers' Club.

The queen and her court will be announced during St. Pat's activities March 14-15 on campus. The girls, who have been nominated for the honor by UMR organizations, are college and high school students and career girls.

They will arrive on campus March 14 for interviews with

### City Air Pollution Board Sets Meeting

A meeting of Granite City's Air Pollution Control Board will be held at 7:30 p.m. on March 10 to review industrial emission reduction programs and the agency's budget for 1969.

In announcing the meeting, Henry Bieniecki, chairman, said the commissioners will meet at the city hall.

### Motorist Arrested

Henry J. Nobis, 1916 Lynn avenue, was charged with careless driving following his arrest in the 3600 block of Madison avenue at 10:15 p.m. yesterday. He is to appear by March 14.

The St. Pat's Board and will take part in parties and a gala parade of floats.

## Richard Suess To Head Rotary Club in Madison

Richard Suess, 2457 State street, was elected as 1969-70 president of the Madison Rotary club for the year beginning July 1 at a weekly luncheon meeting yesterday at the Madison recreation center.

Suess, currently a vice-president and secretary of the club, will be installed along with other new officers at a dinner meeting in June.

The new president is agency manager of the Metropolitan Life Insurance Co. at the district office in Granite City. He and his wife, Thelma, are the parents of a son, Steve, a freshman at SIU-SW, and a daughter, Veronica, 13, a seventh grade student at Coolidge junior high school.

Born in Edwardsville, he is a lifelong resident of Madison county, including the last 12 years in the Quad Cities. He is active in the East Side Life Underwriters Association and has served on the council of St. John's United Church of Christ.

### Other New Officers

Charles Hasse, YMCA youth director, was elected as first vice-president and secretary. Keith Toby, assistant to the Illinois Power Co. service area manager, was named second vice-president and treasurer; and Madison School Supt. Raymond Draglich was chosen as sergeant-at-arms.

Elected as members of the Rotary board of directors were Will Radman, the current president, and Lawrence Palkes, Anthony Zedolek, Wayne Scannell, Leo Schermer and Harvey Miller.

### Seek Nutrition Office Space

Two staff members already are at work at Eagle Park Acres and West Madison, and an office and training center are needed in the Madison-Venice area to serve as the local headquarters, the club was told. The program is being financed by the U. S. Department of Agriculture and 60 Quad-City mothers already are being counseled on economical food buying and ways to provide wholesome, balanced diets for their families, Mrs. Mauck said. The club voted to help finance Tri-City Youth Concerns Day March 31 at the YMCA, and Alex Schindler outlined plans to entertain six touring Japanese Rotarians here April 21.

## S/Sgt. John P. Stieb With AF Honor Unit

S/Sgt. John P. Stieb, has helped the 61st Military Airlift Wing earn the U. S. Air Force Outstanding Unit Award. An air operations specialist at Kadana AB, Okla., with a unit of the 61st, he will wear the distinctive service ribbon as a permanent decoration.

The wing, which has won the award five times, is headquartered at Hickham AFB, Hawaii. Its units, located throughout the Pacific and Southeast Asia, are charged with the Military Airlift Command's airlift responsibilities.

Sgt. Stieb, who has been on duty in Vietnam, is a graduate of St. Paul high school, Highland, Ill. His wife is the former Nguyen Thi Thinh from Vietnam. He is the son of Mr. and Mrs. Bill Stieb of 2626 Hodges avenue.

### 4 Hubcaps Stolen

Clifford Kelly of St. Louis notified police at 12:28 a.m. today that four chrome spoke-type hubcaps, valued at \$80, were stolen from his auto while parked in the American Steel Foundries parking area.

## Park Board Sets Up Precincts for April 1 Election

A resolution calling for the annual Granite City park district election and establishing boundary lines for three voting precincts was adopted by the park board in meeting last night.

The three voting precincts are a rearrangement of previous voting procedure in which the park district was divided into only two precincts. The park election will be held April 1, simultaneously with the Granite City township and municipal elections.

The new precincts include: Precinct One: All of West Granite, west of the railroad tracks with voting poll located

in the Community Center on Niedringhaus avenue.

Precinct Two: That part of the park district east of the railroad tracks to Namekoi road, except the Briarcliff area, with voting poll located in the Wilson Park ice rink.

Precinct Three: All of the park district east of Namekoi road and the Briarcliff area, with voting poll at the Junior Achievement Center, 3308 W. 24th avenue.

Prepare for Season

The board also acted on a series of activities in preparation for opening of the spring season. Purchase of a soda dispensing machine and an ice-making machine for the ice rink concession was approved at a cost of \$306. The board purchased the machines that have been used on a rental basis from Pepsi-Cola Co., with all rental payments applying to the

purchase price.

A request by the West Granite Youth Development Committee for use of the ice rink on May 10 for a square dance and on June 6 for a teen dance was approved. Use of the rink by the Land of Lincoln Club on July 6 to present a coin display in connection with the annual July 4 celebration week-end, also was approved.

The board discussed a request by William Hodge to purchase time at the ice rink for a hockey club of youths 9 to 10 years old. The club is seeking one-half hour per week plus an additional hour each weekend to promote a series of hockey games.

Use of the No. 1 ball diamond at Wilson Park by the Granite City Steel Credit Union on alternating Sundays was approved. The credit union base ball team will alternate on the diamond with Mercer's team.

## Housewife Praises Quick Action by Alert Teenager

With all the unpleasant incidents involving teenagers one reads about today, I believe a thoughtful act performed by a Granite City high school senior may be a good thing to print. A St. Clair avenue resident told the Press-Record yesterday.

Mrs. Kathleen Tadlock arrived home from work Wednesday to find most of the front lawn blackened by fire. The

burnt area reached to within two feet of the frame dwelling. A neighbor informed her that a teenage girl came to the house about 3:30 p.m. and asked for a throw rug to put out the grass fire. While the woman was in the basement searching for a rug, the girl picked up a stiff floor mat lying near the front steps and had quickly extinguished the blaze.

The teenager, who had not

identified herself to the woman, was traced by Mrs. Tadlock and found to be Linda Kunz, 17, daughter of Mr. and Mrs. Peter Kunz, 3108 Willow avenue.

"I really believe our house also would have caught on fire if Linda hadn't stopped to beat school paid no attention to the fire which spread crossways across the lawn. A cigarette found near the corner of the yard may have started the blaze, she speculated.

bushes near the front of the dwelling were in danger of catching fire, she noted.

Mrs. Tadlock said that neighbors apparently were unaware of the blaze and other students, passing by the house from school paid no attention to the fire which spread crossways across the lawn. A cigarette found near the corner of the yard may have started the blaze, she speculated.

## Home Notes

By Mrs. Catherine R. Mauck  
Madison County Extension  
Home Economics Extension  
University of Illinois

### Hemming Tips

Does the hem you put in your flared skirt look like a ruffle? Marjorie Mead, University of Illinois Extension Clothing Specialist, offers suggestions on proper hemming techniques for flared skirts.

First, measure the hemline on the skirt from the floor while the skirt is on the person who will be wearing it. Mark the hemline with pins or chalk.

With the skirt off, turn up the hem and press along the hemline. On fabrics that are difficult to press, basting may be necessary. Trim the hem to an even width — between 1½ and 2 inches for a skirt with a medium amount of flare. For a very flared skirt, the hem can be narrower.

For even distribution of fullness, stitch one-quarter inch from the upper edge of the hem with a long (8-10 stitches per inch) machine stitch. Pull up the bobbin thread so the fabric is evenly gathered. Press the hem flat against the skirt. Distribute the ease evenly. If the skirt is made of wool, this extra fullness can be shrunk out by pressing the hem with a steam iron. To keep press marks from showing on the right side of the skirt, place a piece of plain paper between the hem and skirt during pressing.

The hem should be finished according to the fabric being used. If there is no fraying, the edge of the hem may be left unfinished or pinked. If the fabric frays, finish the edge by zig-zag stitching or with seam binding.

Regardless of the way the upper edge is finished, the actual hemming should be done by laying back the edge of the skirt and pressing the hem thoroughly on the wrong side and lightly on the right side.

### Lining a Skirt

A skirt may be underlined or lined to assure a smooth fit, retain shape and extend the wearlife of the garment.

For either underlining or lining, choose a fabric that is firmly woven, yet lightweight. Such fabric should require the same kind of care as the outer fabric of the skirt. If the skirt fabric has an open weave or is somewhat transparent, the underlining or lining should blend in color with the outer fabric.

Cut the underlining or lining from the same pattern pieces as the skirt pieces, wrong sides together.

Darts may be stitched through both layers of fabric; first stitch down the center of the dart from widest to point to hold the layers together. Or darts may be stitched separately in the two layers if there is a problem of too much bulk. The underlining should be cut off at the hemline and the skirt hem turned over it. After the underlining is in place, sew the skirt as if there were only a single layer of fabric.

When you line a skirt, the lining is sewn separately and hemmed. The hemline of the lining should be at least 1 inch above the finished hemline of the skirt. Leave the pocket area in the lining unattached.

Finish the skirt except for the waistband. Baste the finished lining in place (wrong sides of skirt and lining together) at the waistline of the skirt. Attach the waistband. Turn the seam allowances of the lining under at the pocket opening and hand stitch them to the skirt pieces on each side of the pocket.

**Tips on Selecting House Plants**  
Success in growing decorative house plants probably depends as much on good judgment in selecting plants as on skill in caring for them.

If you want plants only as decorative accessories, buy them for their appearance. Get healthy, well-developed plants that are near the size you need for decorative effect. Water the plants regularly, and when their appearance becomes unsatisfactory, replace them with new plants.

If you are interested in indoor gardening and in keeping plants in good condition year after year, decide first how much attention you can give them. Are you able, or willing, to adapt some part of your home to the needs of house plants? Or would you rather restrict your choice of plants to those that will thrive best in your home environment?

Many house plants will survive under adverse household conditions. But for best results, supply the environment — light, temperature and humidity — that is recommended for each plant.

Information about growing more than 50 different house plants is given in the Home and Garden Bulletin No. 28, "Selecting and Growing House Plants," published by the U.S. Department of Agriculture.

### Landscaping with Barberries

The variety of sizes, colors and special features of the barberry can fit your landscape situation.

The Japanese Barberry (Berberis thunbergii) is often used in landscaping because it is very hardy, survives drought, produces fall color and can be easily pruned. A mature size of 6 feet, dense branching and thorny twigs are ideal features for landscape use.

These features are so impressive a whole family of Japanese barberries have been developed. Dwarf and a column, thornless and red-leaved varieties, all are grown to better use this remarkable plant.

Among other varieties the upright Japanese barberry produces a 4½ foot wall which requires little pruning. The Box barberry is a two foot dwarf used in clipped and formal hedges in place of boxwood. A thornless variety is identical to the parent except for the spiny limbs.

Red-leaved varieties provide the same characters of performance as well as dark red or purple leaves. "Crimson Pigmy" is a two-foot dwarf prized for low hedges and rock gardens as well as facing down fences and larger shrubs.

All varieties of Japanese Barberry (Berberis thunbergii) have the same qualities of hardiness and drought resistance but perform best in full sunlight and adequate water.

Other species of Barberry with special features include Mentor Barberry and Julianae Barberry.

Barberry plants are a great asset for forage at the heading stage.

If you need the oats for grain — but a good alfalfa stand is still important — seed an early-maturing variety at a rate of one bushel per acre.

### Farm Column

Extension Adviser

**Seeding of Forage Crops**  
Madison county farmers are beginning now to seed forage crops of alfalfa, clovers and grasses for hay or pasture.

Much of the forage crop acreage will be seeded in companion crops of wheat or oats.

However, you can establish alfalfa, clovers and grasses in the spring without a companion crop if you use the herbicide 2,4-D to control broadleaf weeds.

If grasses aren't part of the mixture, you can use either of the herbicides Ephem or Balan. Both should be applied pre-emergence and incorporated into the seedbed to control broadleaf weeds and grasses.

Spring seedlings without companion crops should be seeded as early as a good seedbed can be prepared. If you seed by April or early May, the legumes will have time to become well established and produce two or three cuttings before mid-September.

For the best alfalfa stand, agronomists suggest you seed a late-maturing variety at a rate of 2½ bushels per acre and harvest to 2½ bushels per acre and harvest.

**Ask your Extension adviser for a copy.**

**Importance of Attitude**  
On Homemaking

Some homemakers maintain that their work is never done. But this attitude could apply to any worker, although most workers get away from their jobs when they go home. Failing to decide what is today's work creates the problems.

Dorothy Goss, University of Illinois Extension home management specialist, stresses the importance of attitude toward homemaking. For instance, you may find making bread a rewarding creative experience while somebody else may consider it drudgery. The same differences in attitude could apply to any household task — setting the table, planning meals, washing windows.

Because of the great amount of time spent in household tasks, give some thought to your attitude.

How many homemakers do you know who received a raise last year for doing a good job? Financial payment doesn't enter into such work. Most of the rewards for good homemaking come from the personal satisfaction of doing a job well and from the knowledge that your family has benefited. If the household is well-managed, the whole family benefits; if not, the whole family suffers.

Homemakers should look for opportunities to use their creative talents for personal satisfaction. Plan your schedule to permit creative activities you enjoy.

The opportunity to use your creative talents is inherent in the job of homemaking, but knowledge, skill, attitude and planning are needed if you are to put your talents to use.

vest for forage at the heading stage.

If you need the oats for grain — but a good alfalfa stand is still important — seed an early-maturing variety at a rate of one bushel per acre.

Late-maturing oat varieties usually produce more oat forage than the earlier-maturing varieties.

**Forage Mixtures**  
Forage mixtures containing alfalfa red clover and grasses will yield about the same as alfalfa-grass mixtures. If red clover makes up more than one-third of the legume part of the mix. Seeding more red clover results in lower yields, however, especially after the second hay-production year.

**Program Plans**  
Program plans for the agricultural extension program in Madison county next year will be considered at a committee workshop Tuesday, March 4, at 10 a.m. in the Farm Bureau auditorium, Edwardsville.

Seven committees appointed by the county agriculture extension council will propose to the council major extension projects to receive future emphasis. Five or more Madison county persons are on each committee.

The chairman of each committee is as follows: Soils — Louis Clonko, Granite City; Crops — George H. Willard, Edwardsville; Livestock — Leland Malan, Highland; Farm Management — Donald A. Gusewelle, Worden; Dairy — Willard Blase, Worden; Horticulture — Gordon Goss, Edwardsville; 4-H Club and Youth — Joseph G. Geiger Jr., Highland.

The ten highest producing herds in the Madison County Dairy Herd Improvement Contest in January were owned by Leland Steiner, Waldo Keilbach, Marvin Stille, Sam J. Dorsey, Vernon Warncke, Vernon Becker, Willard Blase, Donald Sievers, Harold and Carl Baumann and Milton Hitz.

The highest producing herd for the month was owned by Leland Steiner. This herd consisted of 24 cows. The average production was 1.88 pounds butterfat and 42.4 pounds milk per day with an average butterfat test of 3.9 percent.

Completing the 365 days lactation with a record of 600 pounds fat or more was a 5 yr. old in the herd of Sam Dorsey with 14,833 lbs. milk and 635 lbs. fat; a 4 yr. old in the herd of Willard Blase with 16,648 lbs. milk and 698 lbs. fat; in the herd of Martin Linenbaker a 9 yr. old with 17,903 lbs. milk and 697 lbs. fat; a 5 yr. old with 17,794 lbs. milk and 666 lbs. fat and another 5 yr. old with 16,359 lbs. milk and 690 lbs. fat; in the herd of Willard Blase a 6 yr. old with 15,646 lbs. milk and 729 lbs. fat and in the herd of Marvin Stille a 7 yr. old with 17,777 lbs. milk and 706 lbs. fat.

**FIFTH BIRTHDAY PARTY FOR TARI HANFELDER**  
Tari Hanfelder, youngest daughter of Mr. and Mrs. Bill Hanfelder of Arlington drive, celebrated her fifth birthday with a party given by her parents Wednesday evening.

Decorations included pink streamers and balloons, and the refreshment table was centered with a decorated cake which was served to her guests, along with ice cream and punch.

Tari received many gifts, and from her parents she received a blue "banana" bike.

Those present included Rebecca Rawden, Roma Underwood, Shari Christ, Debbie and Lori Ramsey, Taina Kilponen, Jane Ann Mayo and Timmy Burns of Granite City, Mrs. Sally Dickerson and son, Ronald, of Collinsville, Mrs. JoAnn Sharp and sons, Terry, Harold and Barry of Madison and the honoree's sister, Tammy.

Mr. and Mrs. Bill Hasty, her grandparents, and their children, Debbie and Billy, were guests at the Hanfelder home Tuesday evening for dinner in honor of the occasion.

## CIVIC ASSOCIATION MEETS

The Arlington Heights Civic Association met Monday evening at the Arlington clubhouse. New officers, elected in January, took charge of the meeting for the first time. They include David Rawden, president, Frank Arbuter, first vice-president, Richard Underwood, second vice-president, Mrs. Donna Schaefer, secretary, and Mrs. Marie Boyer, treasurer.

Joseph Schall and John Kastele were elected as trustees. Several items of previous business were discussed, with no definite decisions reached. Rawden appointed James Pohman to head the entertainment committee, with Mrs. Mary Jones as assistant.

Plans are being made for a St. Patrick's Day pot luck dinner at the clubhouse on March 14. Residents will be further informed later as to details.

The next monthly meeting will be held March 24.

## BROWNIE TROOP 1156 TOURS FIRE STATION

Members of Brownie Troop 1156 of Lake school met Tuesday afternoon in the school kindergarten room before leaving for a tour of the main Granite City fire station on Madison avenue. Before the tour the troop posed for a group picture. The Brownies were shown fire trucks, and features of the trucks were described in detail. They were given a tour of the lower floor, including the kitchen, and as an added attraction firemen slid down the emergency pole.

In two weeks, the troop will tour the A & P food store.

Brownies on the tour were Julie Adams, Dana Buer, Shari Christ, Vicki Gantner, Lisa Giggell, Cindy Granger, Brenda Hudson, Beverly Jones, Robin Loretz, Kendall Lucas.

Marsha Madelon, Debra Nation, Susan Parker, Shelly Pohman, Sharon Sackett, Judy Seifert, Lisa Steele, Cheryl Stogdill, Roma Underwood and Janet Young.

## State to Determine Airport Survey Plan

The course to be taken in conducting a survey of the Madison-St. Clair-Monroe county area in connection with construction of a major airport will be determined in a meeting of state officials at Springfield Friday, March 7.

The meeting has been called by Aeronautics Department Director J. E. Wentzel and Business and Economic Development Director Raymond Dickerson, who said reports and studies already available indicate the need of a major airport on the Illinois side of the metropolitan area to serve south-western Illinois as well as St. Louis.

An appropriation of \$50,000 to conduct such a study was approved by the 75th General Assembly but because of the state's financial status former Gov. Samuel Shapiro did not request the money. Gov. Richard B. Ogilvie indicated recently that he feels the money now can be made available.

## Tire Slashed

Judy Lewis, 2664 Adams street, told police at 2:35 p.m. Tuesday that vandals had slashed a tire on her 1968 car while the vehicle was parked in front of the house.

RE-ELECT BARTON ASSESSOR

## ALTAR SOCIETY MEETS

The Altar Society of St. Elizabeth Catholic Church met Tuesday evening. Mrs. Marie Plantz, president, offered prayer and Mrs. Mary Krizan was named chairman of the annual rummage sale April 19. A meeting will be held next Monday at 7:30 p.m. in the cafeteria for chairman of booths for the Christmas bazaar headed by Mrs. Clara Schilling.

The "Madonna prize" was awarded to Mrs. Agnes Piel and Sister Jean's room 1A received an award for best attendance.

A recreation period was held and coffee and tea were served by the hostesses, Mrs. Shirley Morrison and Mrs. Nancy Distler, to 50 members and guests, including Mesdames Rose Hilte, Marge Hilte, Linda Rozyczki, T. J. Wojcikowski and Mary Miller.

## PACK TO HOLD BANQUET

Cub Pack 99 of Central Christian Church will hold its 1969 "Blue and gold banquet" Sunday at 5:30 p.m. at the church. James Morrison will be guest speaker.

## ENTERS HOSPITAL

Mrs. Wilma Spurlock entered Incarnate Word Hospital, St. Louis, Tuesday for a series of x-rays. Cards can be sent to her at the hospital, 1640 South Grand, St. Louis, Room 303. She and her husband, Floyd, and children, Greg, Bobby and Sandy, reside at 2133 Robert avenue.

## BASKETBALL BAZAAR AT NAMEOKI SCHOOL FRIDAY

The annual basketball bazaar is to be held at Nameoki grade school Friday at 6 p.m. Basketball games will be played by fifth and sixth grades.

Refreshments will be served, with the menu including salads, sandwiches and dessert. Also planned are a cakewalk, fish pond, spaghetti, bean bag, dart game, grab bag, fortune teller and white elephant sale.

Serving on the ways and means committee are Mrs. Jo Ann Harrison, Mrs. Shirley Kibort and Mrs. Jackie Reinel.

## SENIOR CITIZEN DINNER

A senior citizen dinner was held Sunday evening for members of the Church of Christ, 2150 Clark avenue, at Howard Johnson's restaurant, Collinsville. Arrangements for the occasion were made by the young boys' 6 o'clock training class.

Attending were Mr. and Mrs. Howard Weston, Mr. and Mrs. Joseph Lorton, Mrs. Mary Ann, Fred McDaniel, Mr. and Mrs. Ray Shelton and Mesdames Glen Dailey, Martha Swann, Lela McPherson, Stella Pendleton and William Weitz and guests, Mr. and Mrs. Bert Cable, Mr. and Mrs. Phil Powers and Mr. and Mrs. Joe Eavenson.

## MRS. McILVOY ENTERTAINS CLUB

Mrs. Lorraine McIlvoy entertained her pinocle club Tuesday evening in her home, 124 Birchcliff. Prizes were awarded to Mrs. Hazel Robb, Mrs. Juanita Rosenberg, Mrs. Ilene Willis and Mrs. Bertha Witter.

A dessert luncheon was served to those named and Mrs. Harriet Hoff and a guest, Mrs. Neil Talley. Mrs. Hoff has invited the club to her home, 3741 Fair Oaks drive, March 25.

## PRAYER BREAKFAST

An early morning prayer breakfast was held Sunday at Suburban Baptist Church as the men gathered to share prayer requests.

Present were George Cook, Bill Terrell, Rev. Wendell Garrison, pastor, and Al Mohorn, Arley McFalls, Bob Hamilton, Dick Schwendemann and Roy Fisher.

## Announcement was made of "Youth Week"

A youth team of four from the Southeast State Teachers College at Cape Girardeau, Mo., will be here for revival services March 7-8. Young people will be in charge of the Training Union March 2 and the Sunday school March 9.

## TROOP TOURS BAKERY

Paula Gendron led the pledge of allegiance and Brownie promise. Group singing was held and a lesson was presented on procedures for setting a table.

A table setting game was then played.

During the remainder of the meeting, decorations were made for next week's party and pink and blue streamers were strung from the party room ceiling.

Refreshments were provided by Tammy Vail to the co-leader, Mrs. Lorraine Stawar, and Kimberly Andrews, Carla Svoboda, Jane Newman, Lori Astorian, Jean Lindsay, Lisa Kea, Tammy Vail, Rita Collins, Cheryl Lewis, Penny Gendron, Connie Stawar, Leola Sluder, Rita Loris, Pam Bevins, Susanne Chernoff and Judy Rider.

## CUB PACK 46 HOLDS BLUE, GOLD BANQUET

The annual Nameoki PTA Cub Scout Pack 46 blue and gold banquet was held Tuesday evening in the Coolidge junior high cafeteria, with 160 attending the pot luck dinner.

Each den decorated its table. The invocation was by James Dumont, Coolidge principal, and Edward Stone, Union Boy Scout district vice-chairman, spoke on scouting.

Six parents selected at random joined Cubmaster John Slay in an opening ceremony, "Cub Scout Advancements."

Awards were presented to Jaime Dumont, wolf badge and gold arrow; Bob Moske, gold arrow under wolf; and Bruce Moore and Todd Reiter, year pins.

A special award was presented to Chris Hamilton for service to the pack.

Magic was performed by Joe Richardson of Wood River, a professional magician. Candlelight closing ceremonies were led by Slay and a cub from each den.

## Arrangements committee members were Mrs. Carolyn Moske, Michael Papp, Charles Libby and Bob Moske.

### Receives Soles Emblem

Rupert Haneline of Huxley Pontiac Co., was honored recently at a banquet given by Pontiac Motor Division of General Motors Corp. at Muskegon in St. Louis. Haneline achieved membership in Pontiac's "master salesmen's club" and was given an emblem of recognition.

### HARRIS TROOP MEETS

Brownie Troop 73 met at Harris grade school with the leader, Mrs. Thelma Skelly. The girls opened the meeting with the pledge of allegiance to the flag, singing of "America," the Brownie promise given in uni-

son and the Brownie smile song.

Mrs. Skelly announced that nine girls were in attendance at the "thinking day." A number of the girls will be "living up" at the close of the school year and they practiced the scout laws.

The meeting was closed with "Taps" by Christi Barnhart, Mary Kay Christ, Lisa Bevil, Kimberly O'Dell, Susan Schaffner, Lisa Ingram, Sherri Gray, Renee Hakkaranian, Robin Hakkaranian, Malinda Burnhart, Mary Ann Affeldt, Dawn Ray, Debbie Pruitt, Linda Witta, Elvina Winklemeyer, Cindy Robinson, Tammy Boyer, Jackie Almsbury, Theresa Boyer and Dawn Robinson.

Cadettes of Troop 114 took part in "thinking day" Sunday afternoon at the Madison recreation center by appearing in costumes representing various countries. Helen Zelenka portrayed Czechoslovakia; Donna Reeves and Carol Walker, Japan; Mary Frances Paeck, Poland; Christi Skelly, Mexico; Sharon McBride, Russia; Debbie Lawrence, Scotland; and Alicia Hendrickson, Switzerland. Mrs. Mae Hendrickson, leader, supervised preparation of the costumes.

### MRS. SMITH HOSTESS

Mrs. Darlene Smith was hostess to the Blahs in her home, 1004 Sycamore street, Monday evening. A white elephant auction was held, followed with a game period.

Those taking part were Mrs. Lorraine Gipson, Mrs. Effie Cleveland, Mrs. Zelma Hart, Mrs. Hazel Cockrill and guests, Mrs. Vina Nelson and Mrs. Sharon Lindsey.

Refreshments were served by the hostess. Mrs. Cockrill will entertain the club members in her home, 2462 Hodge avenue, March 10.

### ATTEND CHRISTENING

Lisa Lynne Bright, daughter of Mr. and Mrs. Fred Bright Jr., Alton, was christened Sunday afternoon, with Rev. W. W. Hoxie officiating at the Moro Presbyterian Church, Mrs. Michael Hickman of Dayton, O., and Richard Bright of Granite City were godparents for the infant. They are an uncle and aunt of Lisa Lynne Bright.

Local residents in attendance included grandparents, Mr. and Mrs. Fred Bright Jr., Madison; Mr. and Mrs. Carl Spahr, Madison; and Mr. and Mrs. John Hutchins and daughter, Kathy, Mitchell. Open house was held during the afternoon, with Mrs. Bright serving dinner in her home to members of the immediate families.

## Pay Boosts Approved for GC Mayor, Clerk and Treasurer

Salary increases for the mayor, treasurer and clerk who take office May 1 in Granite City were approved by 10-to-5 vote Monday night by the city council. Alderman Charles J. Moerlien called for a separation of the mayor's increase from those of the clerk and treasurer for voting purposes.

The request was ruled improper by City Atty. Scroggins. In the roll call, aldermen voting for the increases were Dallas, Whitmer, Boyd, Rutledge, Basarich, Nann, Fry, Farmley, Jarrett and Dawes. Opposed were Bartosiak, Poulos, Green, Robertson and Johnson.

The new salary for the mayor will be \$13,200-a-year (\$1100-a-month) up \$2700 (\$225-a-month) from the present \$10,500 (\$875-a-month).

In addition, the mayor is to receive an annual expense allowance of \$1500 (\$125-a-month) and a monthly car allowance of \$50.

The pay increases for the clerk and treasurer were recommended by a citizen group early this month after the council members had failed to agree on a proposed \$16,000 a year salary for the mayor or any other amount.

Amendment Rejected Alderman Nann offered an amendment Monday night to boost the mayor's annual expense allowance to \$2400 (\$200-a-month), but the amendment was voted down 8-to-15, supported only by Basarich, Nann and Jarrett.

Whether was critical of Nann's amendment, pointing out he should have presented it when the representative of the citizen committee originally proposed the salary and allowances at the Feb. 3 council session.

The resolution was placed on first reading on that date prior to the Feb. 11 mayor primary, and action on it was deferred at the next council session on Feb. 17.

Nann argued that operation of Granite City was a \$10-million-a-year business and that the mayor should have an ample expense allowance. Opposing the amendment, Moerlien said he saw no reason for the large amount. "At least 60% of the time the mayor attends a banquet, he's a guest and not the host. If he buys drinks for people, he should do it on his own—not with city funds. A lot of people are struggling to keep their homes under a heavy tax burden."

Employee Wage Talks Due Moerlien continued that during salary negotiations with city employee unions last year, there was a set amount of money available. "I'd like to know where the money for these increases is coming from," he added, stressing that new wage talks with city employees are to be started soon.

Basarich answered that city

employees receive increases almost every year, while elected officials can be given increases only every four years.

Under the resolution, the fees after May 1 will go to the city's general revenue fund.

In the April 1 city election, Mayor Partney and Alderman Clyde "Bus" Boyd are seeking the mayor's office, while City Clerk Homer "Cal" Pendleton is opposed by Comptroller Robert Stevens.

City Treasurer E. R. "Pat" Rich has no opposition on the ballot, but a write-in campaign has been started by Paul Simon, an employee at a local funeral home.

Robertson and Johnson. Moerlien, who declined to vote, said he had passed the voting but wanted it recorded in the minutes that he approved increases for the clerk and treasurer.

In the resolution, the clerk and treasurer salaries were increased to \$11,400 each (\$950-a-month). At present the treasurer salary is \$9000 (\$750.50-a-month) and the clerk receives a salary of \$4800 (\$400-a-month) plus fees from birth and death certificates.

Opposed from birth and death certificates were Bartosiak, Poulos, Green, Robertson and Johnson.

Under the resolution, the fees after May 1 will go to the city's general revenue fund.

In the April 1 city election, Mayor Partney and Alderman Clyde "Bus" Boyd are seeking the mayor's office, while City Clerk Homer "Cal" Pendleton is opposed by Comptroller Robert Stevens.

### SWEET 16 PARTY FOR DEANA, DONNA PETERSON

Deana and Donna Peterson were honored with a "sweet sixteen" party as they celebrated their birthdays with friends following services at Suburban Baptist Church Sunday evening. The party was given by their mother, Mrs. Helen Peterson, in their home, 3111 Colgate place.

Games were enjoyed and a birthday theme was used in the refreshments, served from a buffet table centered with an arrangement of decorated cupcakes.

Those present were Sandra Smith, Rick Goodman, Jay Wyatt, George Smith, Gail Purkey, Trava McCarty, John Fischer, Wayne Schwendemann, Paul Summers, Brenda Jackson, Arlene Pickard, Debbie Dye, Diane Means, Skipper Lloyd, Cathy Simpson and Betty Jackson.

### HONORED ON BIRTHDAY

Howard Faddow, 1712 Second street, Madison, was honored with a dinner party Sunday afternoon in the home of his son-in-law and daughter, Mr. and Mrs. Robert Kirgan, 3220 Mockingbird lane.

The honoree opened many gifts. A bowling theme was used in the table decorations and an inscribed birthday cake was topped with a miniature bowler.

Those present included the honoree's wife, Mrs. Marnie Fallow; a son-in-law and daughter and their children, Rev. and Mrs. Buell Martin and children, Cindy, Amy, Roger, Steven, Mark and Timmy, of St. Charles, Mo.; and grandchildren, Deborah, Allen and Robert Kirgan.

### BRIDGE CLUBS MEET

The Granite City Duplicate Bridge club met Sunday at the Elks club for an evening of cards. First place was won by Al Schaefer and William Bunte and second by Mrs. Elsie Hastings and Mrs. Helen Meyer. There was a third-place tie between Mr. and Mrs. Al Lanan and Mr. and Mrs. Al Barnes.

The Nameoki Duplicate Bridge club held its weekly meeting in the home of Mrs. Helen Meyer, 2832 Yale drive, Monday morning. Winners were Mrs. Lucile England and Mrs. Helen Collins, first places. Mrs. Mildred Branding and Mrs. Helen Wyman, second, and Mrs. Bernice Grzesek and Mrs. Hulda Davis, third.

The Granite City club will

## WOMEN SUFFER

### WITH BLADDER IRRITATION

Common kidney or bladder irritation affects most women at one time or another. It is usually caused by bacteria, which enter the urinary tract through the urethra. Symptoms include burning, itching, and frequent urination. In severe cases, there may be blood in the urine. If you experience any of these symptoms, consult your doctor immediately. Dr. C. M. O'Guin, 3780 Pontoon road, Granite City, Illinois, is a specialist in these conditions.

## Dear Jackie:

Our carpet is only 5 weeks old and last weekend, during a party, someone dropped a lit cigarette on it. We didn't discover it until the next day, when it was too late. The burn is about one inch long and all the way down to the carpet backing. There seems to be no way to hide it! What can we do?

BURNED BY A FRIEND  
Madison, Illinois

Dear Burned:

The day your carpet was installed, some of the larger scraps were left with you. I hope you saved them! Atkins Floor Covering installers always explain to the customer that these scraps are left in case of burns. A phone call to the dealer who purchased your carpet from should take care of the problem. We had a call not too long ago, where an iron had been knocked over accidentally by one of customer's children. We took a good sized scrap they had saved and cut the burned area into a square. Most of them sewed it. When finished, you could not see where the burn had been. One other thing! Tell your friends caution: cigarette smoking may be hazardous to my carpet!

Dear Jackie:

All the carpet ads I see in the newspapers and on television always refer to "501 Nylon". This might be a silly question, but what is 501 Nylon anyway?

WONDERING,  
Granite City

Dear Wondering:

That's not a silly question at all. Since nylon is such a strong fiber, some carpet mills eventually began to skip on using it. They "watered down" the carpet into some fairly cheap looking items which signaled the need for control—a standard. Du Pont started its "501" labeling program to establish such a standard. In addition to meeting other requirements, carpets bearing the label had to contain at least 20 ounces of Du Pont's nylon fiber in each square yard. The labeling program was designed for the customer to look for and a real reference for advertising.

Other fiber labeling programs began after Du Pont took the lead: Monsanto with cumulofit, Allied Chemical with caprolan and Amicalan, Elks with enkaflex. Most of them stick fairly close with the original Du Pont 20-ounce formula.

That's about all I can tell you about 501 nylon except it's on sale at ATKINS Floor Covering for only \$3.49 a square yard!

If you have problems with floor covering, send your questions to "DEAR JACKIE" c/o ATKINS FLOOR COVERING, 3780 Pontoon road, Granite City, Illinois. Phone 931-4000.

**SUSTAINED SUPERIOR PERFORMANCE AWARDS** for exceptional performance of duty during 1968 recently were presented at the Granite City Army Depot by Major Vincent V. Passero, deputy commander. From left to right—Richard Kendall, 22 Victoria drive, \$150; Walter Hebda, 2349 O'Hare avenue, \$100; John Schwertmann, 2013 Twelfth street, Madison, \$100; Maj. meat Sunday at 6:45 p.m. at the Elks. The Nameoki club will hold its next meeting Monday at 10:15 a.m. in the Meyer home.

### GIRL SCOUTING

Brownie Troop 307, sponsored by the Nameoki PTA, assembled in the school cafeteria Monday with the leaders, Mrs. Jane Lewis and Mrs. Dorothy Parker.

Answering roll call were Lynette Bessie, Theresa Skinner, Theresa Parker, Diana Bunch, Cindi Palmer, Cynthia Skinner, Susan Turner, Matt Hanson, Cynthia Freeman, Karen O'Brien, Debbie Schefke, Stephanie Wilson, Sheryl Crick, Jane service, Rhonda Hughes, Connie Acosta, Pamela Monroe, Yvonne Zotti, Lavonda Burcham, Nannette Robelf and Jackie Reeves.

In preparing for a "fly up," they worked on a scrapbook showing different scouting stages and activities.

### YOUTHS PLAN SUPPER

The junior high school and senior high departments of United Methodist Youth of the Nameoki United Methodist Church will have a business meeting Sunday evening in completing arrangements for a chili supper to be held at the church Saturday evening.

Twenty young people met with the leaders, Mr. and Mrs. Lloyd Seymour and Mr. and Mrs. Jack Luckert. The meeting was adjourned so that members could attend a special service held at Niedringhaus United Methodist Church, with Bishop Lance Webb as guest speaker.

### YOUTH FELLOWSHIP

TO HOLD PAPER DRIVE

The Central Youth Fellowship of Central Christian Church met Sunday evening and discussed plans for a paper drive March 23.

Prior to their meeting, the group heard Norman Ellington of St. Louis speak on the "urban crisis."

Duane Parrish, president, opened the meeting and Laura Hansen led the Lord's prayer. Spring activities were discussed, including a hayride.

Greg Walker and Bill Hahn

led the worship. Following adjournment, the members went to an ice cream store for refreshments.

Attending with the leader, Jim Ash, were Terry Hulce, Alma Cassey, Scott Bell, Diane Turner, Lela Brokaw, Mary Beth Gordan, Shirley Brokaw, Herby Cane, Connie Lurton and a guest, Mark James.

### CHI RHO TO COLLECT FOR SEAL CAMPAIGN

Members of Chi Rho of Central Christian Church met Sunday evening to complete arrangements for volunteers to work in the Easter Seal campaign March 9. Everyone is to meet at the church at 12:30 p.m.

Chiappa, president, presided and reservations were turned in for a trip to the St. Louis Planetarium on Sunday.

A recreation period was held, with charades and a drawing game enjoyed.

A worship service was led by Patti Brokaw, Lesa Groothuis and Sharon Marquis.

Refreshments were served to the leaders, Mr. and Mrs. Don Lynn, and Vickie Leggett, Beverly Edwards, Judy Parrish, Susan Turner, Matt Hanson, Mike Wilmore, Jeff Hane, Mark Geggus, Diane Parrish, Janice Edwards, Peggy Barnes and Donna Chiappa.

### DAY CAMP TOPIC OF BROWNIE TROOP 602

Brownie Troop 602 of Maryville school met Tuesday evening as the leader, Mrs. Gloria Smith, distributed booklets concerning summer day camp, set for Camp Lakota in the first three weeks of June. A discussion was held on camp activities and the leader explained costs.

The scouts practiced "My Country 'Tis of Thee," which they will sing at a tree planting ceremony in the spring. Brownie goals were collected along with annual registration fees.

Present were Lynn Smith, Connie LaVelle, Connie Stroder, Kelly Patton, Bonnie Stroder, Connie Nolen, Linda Hall, Pat Gausephol, Becky Gaudette, Lorie Speece, Tammy Ambuehl, Ann Stagner, Faye Parrish and Kathy Stovall.

Michael Hildebrand has advanced to junior assistant scoutmaster and Joey Favier and John Vasiliou to second-class scout rank in Boy Scout Troop Seven of St. Joseph's Catholic Church. Marshall McElroy has completed tenderfoot requirements.

Other award recipients include Jeff Pulley, senior patrol leader; Jeff Caban, assistant patrol leader; Gary Kary, scribe; Bob Timko, librarian; Carl Kukarola, quartermaster; Roger Pitts and Perry John-

son, patrol leaders; and Joey Favier and John Vasiliou, assistant patrol leaders.

### PARKVIEW TROOP MEETS

Brownie Troop 596 met in the cafeteria of Parkview school Monday, with the scouts repeating the Pledge to the American flag and the Brownie promise in unison. Cynthia Williams, scribe, called roll and Sheri Robinson collected. Brownie gold.

Jennifer Boone was honored as the group sang "Happy Birthday."

Each girl used her imagination in cutting out and making pictures as instructed in the Brownie handbook on "your own way of seeing and doing."

Scout songs were sung, followed by a recreation period. Present were the leader, Mrs. Ruth Ann Williams, and Christine Luckert, Susan Boone, Michele Dickerson, Cheryl Voorhees, Jamie Stone, Jodie Ward and Becky Van Kirt.

### TROOP 1111 HONORS TOP COOKIE SALESMEN

Girl Scout Troop 1111, sponsored by the Maryville PTA, met at the school Monday evening.

Announcement was made that the troop had sold 864 boxes of cookies in a recent sale, with Robin Hefner selling the largest amount. Deborah McLaughlin second place and Karla Smick, third. Cookies will be delivered in late March and early April.

Newly-elected officers who presided at their first meeting were Lesa Montell, president, Susan Frittschuh, vice-president, Sheri Lowry, scribe, and Donna Burke, treasurer.

"Bunny boxes" were made and will be taken to Alton State Hospital March 3. The boxes will be filled with cookies, candy and treats, as is done annually by local scouts.

Girl scout camp folders were distributed and camp activities were discussed by the leaders, Mrs. Wilma Lowry and Karen Schieb.

Plans were made to contribute to a wheelchair which will be purchased for the Tiny Tim Nursery School.

Bonding were Sherill Monroe, Brenda Asher, Carla Sugg, Roberta Ferguson, Pamela Hall, Becky Nolen, Sherrie Lowry, Debbie Ackerman, Shay Davis, Beverly Unnoff, Debbie Barlock, Mary Ellen Miller and the cookie sales winners.

### EIGHTH BIRTHDAY PARTY

Rocky Lupardus, a son of Mr. and Mrs. Archie Lupardus, 2441 Edwards street, celebrated his eighth birthday Sunday afternoon with friends and classmates at a party given by his sister-in-law, Mrs. Wanda Hubbell.

The basement was decorated with turquoise and white crepe streamers and a cluster of multicolored balloons. The serving table was centered with a sheet cake decorated as a foot-

ball field, with goals and players in red, white and green.

The guests of honor received many gifts and games were played. Winners received educational games as prizes, and all guests received kites and headbands as party favors.

Cake, ice cream and punch were served to the honoree and his brothers, Rodney and Randy, a cousin, Kimberly Hubbell, and Sandra Morton. Cathy O'Voy, Norman Sanders, Mike and Dennis Turk, Wendy and William Walker, Douglas Irvin, Sandra and Cindy Knuckles, Susan Bunte, Charles Ludwig, Larry Burns, Steven Bailey, Kevin Woodruff, Darren McGovern, Lisa and Phillip Smith and Fred Werner.

In the evening, a joint birthday celebration was held in the home of Mr. and Mrs. Virgil Travis, 2145 Edison avenue, in honor of their son, Judd, and grandson, Rocky. Pictures were

taken of the honoree for a family album and they received many gifts.

A dessert luncheon was served to the older honoree's sister, Jolene, his fiancée, Miss Cathy Smithson, and sisters and brothers-in-law, Mr. and Mrs. Archie Lupardus, Mr. and Mrs. Thomas Finn and sons, Steven and David, and Wayne Eye.

# most people love our chips

...but then you can't please every last person.

Housewives, we have a proposition. We want your next bag of potato chips to be Cardinal... so here's what we'll do. You buy a 59¢ bag of Cardinal Potato chips and we'll give you a 29¢ bag free!

Try the smaller bag first. If you don't like the chips, take the big 59¢ bag out in the yard—in front of the entire neighborhood—and Stomp on it!—Jump on it!—Crush it! Then send us the smashed bag (wrapped please) with the stomped chips in it and we'll return your 59¢.

How's that for satisfaction guaranteed? You can protest without costs.

Of course we're sure you'll love Cardinal potato chips, or we wouldn't make this offer. We know Cardinal fans are chompers, not stompers.

remember, Cardinal means Potato Chips too!

Tri Mor high rollers in the men's division were—first place, Joe Stroyoff, 752, \$16; second, Johnny Stroyoff, 713, \$13; third, Bernard Moore, 707, \$11; fourth, Frank Diner, 691, \$6; fifth place, Jerry Varady, 673, \$4; and a tie for sixth place with John Yobley and Ray Harsh with 667 games to receive \$1.38 each.

Report Next Week

## Johnson Rd. Completion on Doubtful List

An accounting of motor fuel tax funds to determine if the second phase of the Johnson road improvement can be undertaken this year was requested Monday night by Granite City Alderman Rutledge.

The alderman pointed out the council has authorized bid calls for several motor fuel tax projects, including the improvement of Waterman avenue and sections of Michigan and Troy avenues, as well as installation of traffic signals on Johnson road at Wabash avenue.

Kenneth Kleberger, city MPT engineer, said the city also has nearly \$200,000 of its MPT funds committed for payment to the city's share of the Namooki road improvement cost. He doubted if there would be sufficient funds to complete Johnson road this year.

So far this year, the city has allocated \$140,000 MPT funds for the Waterman avenue project, \$10,000 for the traffic signals, \$27,260 for the Michigan avenue job, \$33,290 for the Troy avenue project, and \$120,000 MPT funds for the annual arterial street maintenance program.

The improvement project for Johnson road—tentatively scheduled for this year—would extend from Franklin avenue east around the curve and north to Pontoon road.

Report Next Week

Kleberger is to submit a re-

port on MPT priorities and available funds next week.

Contracts were awarded for repairs to the roof of the main fire station and for a new roof at Engine House No. 3 on Namooki road. Quad-City Roofing Co. will do the job at the main station on a low bid of \$185, and Granite City Glass Co. will put the new roof on the Namooki road station at a cost of \$987.

Council members approved a change to correct an error in the plat ordinance for the Second Addition to Wilson Park Estates subdivision and approved a resolution transferring funds within the street department.

**Stop Sign Removal**

On a motion by Alderman Noon, a stop sign is to be removed from West 20th street at Jefferson avenue to speed the flow of traffic from the Army Depot.

"This is the first time I've ever done this (called for removal of a stop sign)," the alderman commented, "and if it works out, I might take down another one on 20th street."

He recalled the stop signs were put up because of the heavy truck traffic to and from the Granite City Harbor on the Chain of Rocks canal and the dangers to children attending Washington school who had to cross the thoroughfare.

## 2 Local Servicemen Aboard USS Ranger

Two local servicemen are serving aboard the attack aircraft carrier USS Ranger off the coast of Vietnam. They are Seaman Richard F. Haack, son of Mr. and Mrs. James F. Haack of 2002 Cottage avenue, and Marine Cpl. Ronald E. Beck, son of Mr. and Mrs. Ralph F. Asbeck, 2201 Edna street.

The Ranger returned to the line after a five-day visit to the British crown colony of Hong Kong. Ranger's crewmembers were able to enjoy sightseeing and shopping in the famous city before the carrier returned to the Gulf of Tonkin to assume its duties in support of U.S. and Allied ground forces in South Vietnam. In addition to supporting friendly forces, Ranger's Carrier Air Wing Two also flies unarmed reconnaissance missions over North Vietnam.

## Chaplain Lt. Col. Stover Receives Army Medal

Chaplain Lt. Col. Earl F. Stover received his second award of the Army Commendation Medal last week from Lt. Gen. Harry H. Gritz, Fourth U. S. Army commanding general.

The mission of the office of the chaplain.

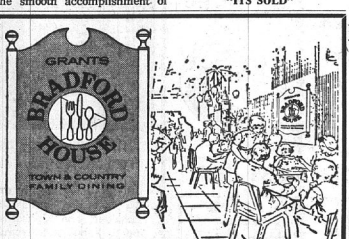

Chaplain Stover entered the Army chaplaincy in July 1957. After completing the basic chaplain's course at Fort Hamilton, N.Y., his first assignment was with the 67th Medical Group at Fort Sam Houston.

Subsequent assignments include Combat Command C, Third Armored Division, Germany, 1959-62; the St. Louis Defense (Nike Hercules), 1962-66, and the University of Wisconsin, where he completed two semesters in the school of journalism, 1965-66.

The U. S. Army chaplain received his bachelor of arts degree from McKendree College, Lebanon, in 1962 and his bachelor of divinity degree from Southern Methodist University, Dallas, Tex., in 1965. His pastorate before entering the service was St. Mark's Methodist Church in Alton.

By his ability to analyze and arrive at practical solutions to complex problems, he contributed immeasurably to the smooth accomplishment of

Council Airs Gripes on Storm Water Sewer Project

A change order resolution boosting the cost of Granite City's \$3,000,000 storm water drainage project was approved Monday night by the council, following a lengthy debate.

Included were five separate change orders authorized by Mervin Grant, project engineer for H. W. Lochner Co., with \$1194 added for a siphon around a city sewer line at 23rd and Monroe streets, \$1237 for a siphon around a city sewer at Nameoki road and Myrtle avenue, \$3290 added for relocation of a 96-inch line and a decrease of \$2622 for a line relocation on Ralph street.

With presentation of the resolution, Alderman Johnson commented that the project was causing "so many problems around town that I doubt if you'll find many aldermen go-

ing around door-to-door next time asking people for another bond issue."

Nonn warned that with the extra, the city may exceed the project funds. The changes are subject to approval by the Housing and Urban Development agency.

Unmapped Lines

Alderman Bartoskiak, chairman of the Special Sewer Committee, said the extra costs for siphons result from the need to go around existing city sewer lines where locations were not known. He added that change orders also result from finding unmapped gas and water lines. "I doubt if there is any city that can pinpoint the locations of all underground lines," he said. He said a change order with a large decrease is expected as the project is completed.

Other complaints also were voiced. Jarrett said a pile of dirt on East 27th street was causing problems in the neighborhood, causing water and mud to flow into garages and buildings.

Engineer Grant said the contractor was having difficulty because of rains and mud in digging dirt piles and doing precise cleanup work.

Alderman Johnson said he had a towing charge bill given him by a woman whose parked car became mired in an excavation. He asked that it be passed on to the contractor.

Johnson said the woman tried to get the hole barricaded but met with no success because it was a weekend. "Who do we call on Saturdays and Sundays?" he asked the engineer. Grant replied anyone could call Marion Wilson or Sam Sator.

ply to questions concerning the fencing of the ditch, he explained that because of mud, the contractor has been unable to undertake such work.

In a report given later in the meeting, Bartoskiak said East St. Louis & Interurban Water Co. has agreed to foot the bill for siphons where the new drainage lines are to go around water mains at 27th and Benton streets and at 24th street and Madison avenue.

He added that the city is negotiating with Granite City Steel Co. for more costly siphons to go around the firm's 65-inch water intake line at 23rd and Monroe streets and at 24th street and Washington avenue. To rework the mill's water line that runs from the Chain of Rocks canal to the reservoir at 21st and Monroe streets would cause shutdown of the steel plant costing an estimated \$3,000,000. The costs of the siphons would be \$10,630 at 23rd street and \$21,500 at 24th street, Bartoskiak said.

"We're to hear from the steel mill officials at a later date," he told the council.

This should be done by the individual to the contractor, and then if the contractor fails to act, it will eventually come to the council.

Drainage Problems

Johnson said repairs to the sanitary sewer break in the 2500 block of Lynch avenue also may be causing problems as well points being used to dewater the cave-in are being emptied into a drainage line. He said a basement water problem has developed at 2617 Lynch avenue that also may be resulting from a fill-in of the old slough east of Pontoon Plaza.

Mayor Partney remarked the slough should be emptying through pipes under the Alton road and Rodé avenue.

and Southern Railroad tracks, but that a farmer had a pipe plugged to prevent flooding of his fields.

"This is an oldtime problem, and everyone someone goes out there looking for the night unplug the pipe, the farmer shows up with a shotgun," Mayor Partney explained.

Johnson called upon the engineer and city attorney to determine if a natural flow of water was being blocked and to take legal steps, if necessary, to correct the problem.

Alderman Robertson asked the engineer to inspect all of the North Granite area for solutions to drainage problems. Engineer Kenneth Kleiberger of Research Planning & Design Associates had submitted a plan for the northernmost section, based on the findings last week of the flooding of fields.

He recommended the clearing and extension of culverts under railroad tracks to provide an opening to a ditch that is located in Luaders Park Estates and runs to a line of trees into a drainage trunk along Fehling road.

Copies to ICC

Copies of the engineer report are to be sent to the railroad involved and the Illinois Commerce Commission along with a letter asking for suit and bailment to be removed from the pipes.

It was noted the silt and ballast rock have the drainage pipes filled to a point where water must rise nearly three feet to go through them.

Nonn suggested that an emergency measure, storm water might be diverted into the recently installed sanitary sewers.

Robertson stated that while he is concerned with flooding of fields, he also is seeking a solution to the residential area of North Granite, extending south to 22nd street. Nonn commented, "The area resembles a sewer, the streets and alley that once were in good shape, are gone."

Alderman Robertson also called for resolutions to be prepared to condemn two structures—one along North 27th place and the other along Logan street. He asked police to take steps for removal of autos without engines and without license plates parked on the sidewalk and on the street at Pontoon road and Rodé avenue.

The Housing and Urban Renewal agency advised the city that a contract with Jack Huggins, accountant, to audit the storm water drainage project funds has been accepted.

Use Hose--Not Mower on New Synthetic Grass

The merits of synthetic grass were outlined to members of the Granite City Kiwanis Club by Albert P. Carney, a marketing specialist, who stressed that instead of a mower—the lawn is maintained by either a hose or vacuum cleaner—if rain doesn't do the job.

Carney, who represents Monsanto Co., was introduced by George Groves, second vice president of the club, during the dinner meeting Monday at the Rose Bowl, attended by 18 members and a guest, Arnold Casens of Edwardsville.

The speaker began by showing a movie on the use of Astro Turf for recreational surfaces. He stressed that the new type grass is engineered for safety

and that in football, serious knee and ankle injuries are reduced 90% on the synthetic grass.

Other advantages, he said, are real estate economy, aesthetic appeal-color stability and the methods of installation over either compacted dirt, sand, asphalt, wood or concrete.

The cost is \$3350 to cover 1500 square feet of golf green surface, or to do the job at Bush Stadium would total over a half million dollars. The most widely known installation of Astro Turf is at the Astro Dome in Texas, he added.

Edward Moore, club president, presented Carney with a certificate of appreciation at the close of the meeting.

VERNON C. THARP

Last Rites Today

For Vernon Tharp,

YMCA Executive

Funeral services were held this morning for Vernon C. Tharp, 43, executive director of the local YMCA, who was stricken Monday afternoon with an apparent heart attack as he was preparing to start a volleyball class with local business-

Tharp was rushed to St. Elizabeth Hospital by ambulance and died at 1:20 p.m.

In the volleyball class with him were Dr. Eugene Walton, Robert Spengler, Milton S. Reinhardt and Robert McGrath. Born in Cedar Rapids, Iowa, Mr. Tharp began his work with the YMCA while in high school in Waterloo, Ia., serving as a swimming coach. He was graduated from State College of Iowa, Cedar Falls, and received his Masters degree from George Williams YMCA College, Chicago, in 1951.

During the time he was enrolled in school in Chicago he also worked at the Southwestern branch of the YMCA there. He served two years with the U. S. Army during world war II.

Tharp took on his first full-time job as executive director of the YMCA in Racine, Wis., following his graduation, and remained there until his arrival in Granite City on July 5, 1968.

Mr. Tharp belonged to the First United Presbyterian Church and the Optimist Club and had served on the council of the local Boy Scouts unit.

He resided with his wife, Eunice, at 2335 Zippel drive along with their two sons, Michael, 17, Albert, 16, and twin daughters, Carol and Cheryl, ten.

Other survivors include six brothers, Leroy Tharp of Gulfport, Miss., Herman Tharp, Iowa City, Ia., Paul Tharp, Blaine, Minn., Russell Tharp, Calgary, Alberta, Canada, Wayne Tharp, Little Rock, Ark., and James Tharp, Fairmont, Minn.

Funeral arrangements are given in today's obituary column.

May Buy Pool Hall for Sheriff's Offices

County Board of Supervisors

The jail committee of the county board of supervisors was to meet in Edwardsville today to act on an proposal to buy the building and land next to the county jail and renovate the building for office space for the Sheriff George Musso and his staff.

Jay Maurer of vice, chairman of the Jail committee, said the committee is scheduled to receive two appraisals on the property in today's meeting to determine if the property is worth the \$40,000 which is being asked. The property is located at 216 North Main street, adjacent to the area of the present jail. It is the Idle Hour Billiard Hall.

Maurer said that if appraisals justify the asking price, his committee will meet with the Finance committee to seek permission to use part of an existing \$65,000 jail building fund to buy the property. An architect also will be called in for estimates on remodeling work.

The county board previously allotted \$85,000 for a new office building to adjoin the jail, but about \$18,000 of the amount was used for repairs. Maurer suggested the county could use part of the balance to buy the building.

Stop Sign Violation

Charged with disobeying a stop sign at St. Clair avenue and Nameoki road at 6:50 a.m. Tuesday, Fred P. Finazzo, 2720 Saratoga avenue, was issued a ticket and told to appear for a hearing by March 26.

Justify the asking price, his committee will meet with the Finance committee to seek permission to use part of an existing \$65,000 jail building fund to buy the property. An architect also will be called in for estimates on remodeling work.

## Cub Pack 96 Hoids Blue-Gold Banquet

Cub Scouts and Webelos of Cub Pack 96, sponsored by Maryville school PTA, held a Blue and Gold Banquet Monday evening at the school with about 130 parents and scouts attending.

Rev. Harold Covington, pastor of Pontoon Beach Baptist Church, a special guest, stressed "The greater need for communication between parents and boys in the home and the community in this changing world."

Cubmaster John Williams opened the meeting as members of Den 2 conducted the flag ceremony.

Special guests included Rev. and Mrs. Covington, Jack Mulach, principal; Guy Lehr, president of the PTA; John Doro-ghazi, District Commissioner; and the committee which spoke on sportsmanship, citizenship and window display—Carl Graham, Ron Sherman and James Stockton.

The pack received the 1969 scout display award in the Quad-City area.

Den mothers introduced were Mrs. James Stockton, Mrs. Margaret Graham and Mrs. Barbara Maxfield.

Displayed were the recent pinewood derby cars, trophies and ribbons. Doro-ghazi also displayed awards his son, John, had received during his ten years in scouting.

Inspection of the Pack was conducted by Doro-ghazi, followed by an awards ceremony.

Denner awards went to Jeff Sherman, Royce Meyenber, Timothy Browning and David Spencer; and assistant denner bars to Greg Spurlock, Bruce Cuvr and David Stinson.

Recruiter b d g e s went to Jeff Sherman, Joey Maxfield, James Stockton, and Bobcat Jones to Jeff and Mike Sherman and Victor Graham.

Den Chiefs shoulder cords were a w a r d e d to Lindsay Church and Nick Popalsch.

## City Reserve Funds to Pick Up Deficits

Granite City ended the month of January with an overall fund balance of \$866,524 in all of its accounts—including \$78,883 in the non-transferable general fund, City Comptroller Robert Stevens reported to the council Monday night.

Largest balance remains in the transferable general fund, totaling \$70,678, from which the city may transfer funds to meeting general operating costs, the report showed. This fund includes \$18,856 in the tax commission account, \$223,329 in the working cash fund, \$80,343 in the parking meter fund and \$289,149 in the sales tax account.

A balance of \$53,499 remains in the general special fund, \$20,713 in the general unclaimed fund account and \$4750 in non-transferable motor fuel fund, Stevens reported.

With three months of its fiscal year remaining, the city already has spent a total of \$1,884,830 for all purposes in its fiscal year which began last May 1. The report shows that \$1,884,830 for all purposes in its fiscal year which began last May 1. The report shows that \$1,884,830 for all purposes in its fiscal year which began last May 1.

## General Fund Costs

Of the total in expenditures, the report shows, \$1,471,162 has

been out of the general fund and \$403,156 out of all other accounts.

While the report shows deficits in three general fund accounts as of Jan. 31—the fire, police and humane departments—the council last week transferred \$188,000 from the transferable general fund to pick up these deficits and provide additional funds for operating costs during February. The \$188,000 was transferred from the tax commission and sales tax accounts.

The fire department had a Jan. 31 deficit of \$14,571 after total expenditures of \$256,618 during the nine months of the current fiscal year. The account has had total available revenue of \$241,746 thus far in the fiscal year.

Deficit in the police department at the end of last month amounted to \$20,085. That department has spent \$279,103 thus far in the fiscal year, with total available revenue of \$259,018. The deficit in the humane department as of Jan. 31 was \$704. Expenditures have amounted to \$10,424 against total available funds of \$9695.

## Street Balance Low

The report shows that the street department had a balance of only \$14,058 at the end of last month, with total expenditures amounting to \$191,821 out of total available funds of \$205,881 so far this year.

The general government fund, out of which \$111,773 expense has been incurred during the year against total available funds of \$115,503, had a Jan. 31 balance of only \$3729, while the sanitation department showed a balance of only \$778. Disbursements out of the sanitation account during the current fiscal year totaled \$144,679 against available funds of \$145,357, Stevens' report showed.

Other general fund account balances as of Jan. 31 show \$2474 in the air pollution account, \$5812 in the city improvement account, \$5858, sewer maintenance; \$407, civil defense; \$3325, crossing guards; \$6864, city planning; \$8964, contingent account; \$25,217, interest and judgment; \$5614, elections; \$3372, inspections; \$2627, city works; \$8655, pumping station; \$1771, lighting; and \$9771, water account.

## Bail Set at \$1500 for Reese Robbery Suspect

George Warren Whitehead, 26, of 2117 Delmar avenue, charged with the armed robbery of Reese Drug Co. store, 1322 Niedringhaus avenue, shortly before 9:30 p.m. Saturday, entered no plea in magistrate's court at 11:45 a.m. Monday. Bond was set at \$1500 cash and a hearing date is to be scheduled later. He was taken to the county jail.

Whitehead allegedly walked to a front counter of the store and demanded money in the cash register from Jon Teague, a Reese employee, who said the bandit had his right hand inside his coat and partly displayed a hand gun.

Two personal checks and a quantity of \$20, \$10, \$5 and \$1 bills, placed in a paper sack by Teague, were recovered by police. Patrolmen Peter Handelson and Leonard Svoboda, who were cruising in a patrol car nearby caught the suspect, arresting him in an alleyway at the rear of the public library, 2001 Delmar avenue.

## Sewer Detour Poses Problem for Carrier

Compact cars are noted for maneuverability, but they posed a problem for the driver of an auto carrier with six aboard as he traveled the 24th street parkway detour around a storm sewer cut at Madison avenue.

Two police cars held back traffic at 24th and State streets about 2 p.m. Tuesday when the trucker had to stop and unload the three compact cars from the top deck of his carrier to prevent them from breaking tree limbs and from getting scratched by the overhanging branches.

The operation proved costly to German Auto Sales, 21st street and Madison avenue, where the cars were going. The firm had to seek mechanics to the scene to drive in the three autos. The others arrived via the rig.

## Pleads Guilty to One Charge; Faces 2 More

Pleading guilty to a charge of driving with an expired license and not guilty to two other charges, John Arthur Robinson, 47, of 1029 McCambridge avenue, Madison was fined \$25 in magistrate's court Monday afternoon.

The Madison resident, who was arrested by Granite City police at 6:50 p.m. Sunday in the 2800 block of East 25th street, pleaded not guilty to charges of illegal transportation of liquor and improper use of registration (fictitious) plates. Bond was set at \$50 and Robinson was released for trial at 1:30 p.m. March 17.

## Damage Truck Hood

Vandals kicked in the hood of a 1965 half-ton truck parked outside the home of Donald Doyle, 2805 Myrtle avenue, the owner reported to police Monday.

## Rotarians Hear Talk By Vietnam Veteran

Robert Simon was the featured speaker at the Tuesday meeting of Granite City Rotary Club held at the YMCA. He was introduced by Glenn Abernethy, program chairman for this meeting.

Simon used for his topic, "Ten months in Vietnam as a Specialist 5." He showed slides of Cam Ranh Bay, Camp Granite, (with the cannon which is back at the Granite City Army Depot) and of an orphanage his unit aided while stationed overseas.

Rotarians will attend the Service Club's Maundy Thursday program on April 3 at the First United Presbyterian Church. Rev. Alfred Buls will be the special speaker.

Another event discussed was the "Men's Night" on March 18 at the Rose Bowl with the Rotary Ann making all arrangements.

Of special interest to the members was the announcement that six Granite men will arrive in Japan City on April 22 for the Rotary meeting. They are from all walks of life and will be taken on a tour of the city and the SU-CW camp as well as the steel plant. The men will remain in the Illinois district for three months, before returning to their native country.

## Thomas R. Kalso is Law School Graduate

Thomas Robert Kalso, a son of Dr. and Mrs. T. W. Kalso Jr., of Champaign, Ill., formerly of Granite City, was graduated with honors Feb. 15 from the John Marshall Law School in Chicago.

The student is a grandson of the late Mr. and Mrs. Robert Dron of Granite City, and Thomas W. Kalso of Troy, and the late Mrs. Garnet Kalso. He is also a nephew of Neal Kalso and Mr. and Mrs. Edward Reiske, and Mrs. W. J. Lomax. Kalso has been listed on the Dean's Honor Roll and Who's Who in American Colleges of America. project will be used by the club for service projects," Mrs. Adkinson announced.

Funds from last year's fair were used for purchasing toys and gifts for those in need at Christmas. The members also sent Christmas cards to all servicemen overseas.

Any one who has old paperbacks and hardback books are requested to bring them to Room 153 or call Mrs. Adkinson, leaving a message for pick-up, at the high school.

In appreciation of this work one member of the club is sent to a Red Cross summer camp each year for two weeks.

## Roca Club Members Honor 4 'Sweethearts' at Banquet

The Roca Young Men's Club annual banquet this week at Western Bowl in St. Louis honored four Roca Sweethearts, who have served as hostesses for club activities during the year.

Those honored included Ruth Diak escorted by James Rollins, Miss Pam Peters escorted by Mike Wilson, Miss Debbie Portell with Dave Evans as escort and Miss Cheryl Brinkmeyer attended by Roger Belshe.

The young girls work with the members in both an active and advisory capacity for the club's social projects.

Chairman for the banquet was Jim Moore, who also served as master of ceremonies. He introduced Miss Debbie Sebold the current winter sweetheart.

Chaperones attending were Mr. and Mrs. Michael Mundy, William Hays, Miss Sandra Wilkenson and special guest, Roca advisor, Earl Parson, and Miss Diane Nocheff.

Decorations for the dining room were in red and white with special programs for each guest. Mike Wilson gave the invocation.

After dinner, Rick Cardwell, president, assisted the chairman in the formal recognition and presentation of awards to the four honorees. They were also given white orchid corsages.

Following dinner and the ceremony the members and guests danced to the music of the "Rising Sons."

Others attending were Ken Townsend, Sally Jackson, Mark Rigby, Jan Stelling, Tom Rushing, Sandy Probert, Rich Moore, Vickie Harmon, Ralph Thompson, Linda Chapman, Tim Moore, Donna Keuenhoff, Tom Mitchell, Sue Lybarger, Frank Mohelich, Loraine Ranft, George Odum, Barb Berger, Tom Loman, Sherry Graham, Mike Loftus, Debbie Shantz, Curt Kozar, Connie Crain.

## Venice Town Budget of \$194,642 on Display

A tentative budget and appropriation bill setting up proposed expenditures of \$194,642 during the 1968-69 fiscal year has been posted by Venice township pending a March 25 public hearing.

The new appropriation is \$933 higher than the final appropriation of \$183,491 adopted for the 1968-69 year last April, due primarily to an increase of \$11,851 in the budget for the town fund.

Despite the increased town fund appropriation, however, only a small tax levy will be necessary for town fund purposes because of substantial balances expected in that fund at the beginning of the new fiscal year April 1, according to Arthur "Cooper" Moore, Venice township supervisor.

Last year, the 1968-69 appropriation of \$90,062 in the town fund required no tax levy at all because of fund balances and expected revenue from tax commissions due from the township collector. Moore said he does not yet know what the town fund levy for the new year will be, but said it should not exceed \$20,000.

**Public Hearing Set**  
The budget and appropriation will remain on file for public

inspection until March 25 when a public hearing will be held. Figures confirmed by the public hearing will be subject to approval in the annual town meeting which will be held at 2 p.m. April 1 in the Venice city hall.

The new tax levy is adopted also in the annual town meeting. Included in the new appropriation total is \$71,013 for the town fund, \$94,006 for the general assistance fund, \$19,821 for the road and bridge fund and \$20,000 for the Municipal Retirement Fund.

While the town fund budget is increased, the general assistance appropriation is \$3570 less than the 1968-69 appropriation of \$98,178. The road and bridge fund budget is up only \$80 over the \$19,741 budget of last year, while the \$20,000 budget for the retirement fund is up \$1890 over last year's figure of \$7510.

The town fund budget of \$71,013 includes \$31,000 in salaries for township officers and \$26,183 for township officers' expenses. Other items are \$1210 for elections, \$400 for other services and expenses, and \$5300 for contingencies.

**List Salary Items**  
Salary items set up in this fund include \$4000 for the supervisor, \$4000 for the town clerk, \$7000 for the assessor, \$5000 for the collector, \$3600 for the highway commissioner, \$1300 for members of the town board of auditors, \$6000 for the supervisor of general assistance and \$100 for a health officer. Ex-

penditures for town officers include \$500 for the town collector, \$200 for the assessor and \$800 for all others.

The general assistance fund sets up \$54,100 for home relief purposes, \$22,100 for hospitalization, \$300 for transient cases and \$500 for burials. The fund also provides \$15,806 for administration, of which \$13,308 is in salaries, and a contingency fund of \$2000.

The hospitalization fund includes \$20,000 for general hospital purposes, \$2000 for convalescent homes and \$100 for ambulance service.

The new road and bridge fund budget of \$19,821 includes \$11,400 for general maintenance operations, of which \$4000 is for labor, \$3000 for supplies and \$4000 for machinery operation. A total of \$5042 is included for oiling unpaved streets. This item includes \$3000 for oil, \$1000 for labor and \$1000 for machinery.

The road and bridge fund also includes \$333 for weed control, \$1646 for administration and a contingency fund of \$900.

## Truck-Car Collision

A collision at 27th and Iowa streets at 4:15 p.m. Monday, involved an auto driven by Annette Griffin, 2938 Iowa street, and an Illinois Power Co. truck, operated by James W. Fox, 2041 Edison avenue.

The Illinois Power Co. truck was damaged and the car was damaged. The truck was driven by James W. Fox, 2041 Edison avenue.

The decision, however, is not to be made until after the April 1 city election, as council members charged Monday night the issue was strictly of a political nature.

During Monday night's session, a scorecard was not needed to figure out who was running for re-election on April 1. Most of the aldermanic incumbents to be on the ballot remained duly silent as the union vs. street department issue was soundly debated.

It stemmed from an extension built onto a manhole at the end of Willow avenue by the street department. The extension — about two feet high — was proposed several weeks ago to prevent storm water from running into a sanitary sewer and backing up into the basement of a nearby home.

**Business Agent Speaks**  
Paul Zupan, business agent for the Bricklayers Union, was in the audience, was given permission to speak on a recommendation by Alderman Fry, who said the work had been done in his ward.

## 30-Day Delay Agreed

# Election Pressure Charged in Bricklayers Demands

A special council committee will decide who will do brickwork now being done by Granite City street department workers in rebuilding manholes and catchbasins and erecting extensions on manholes. The work is claimed by the Bricklayers Union.

The union business agent said the street department workers were rebuilding manholes and raising them. "We claim that work."

First to protest the claim was Alderman Whitmer, who said such a commitment by the city would not only "tie the hands of the street department, but could put the city in deep trouble with the added costs of contracting the jobs or employing a bricklayer. As long as the work is on city property, the street department men should be able to do it."

Fry pointed out the city lets contracts for new sidewalks and curb work that formerly had been done by street department workers, and it also was noted the city has hired a full-time painter and that most of his work is painting crosswalks and parking areas — jobs that had been done by the street department.

**"Sooner or Later"**  
A comment by Basarich, who will be an April 1 candidate, was "Sooner or later we'll have a bricklayer in the street department."

This was disputed by Alderman Nann, who commented that job classification in the street department would be too costly for the city. "This is a political time to bring this up — right before an election." He added

that the same issue was brought up two years ago just before a city election in which he was a candidate for re-election.

Street Sup. Warfield was given permission to speak.

He challenged Zupan, saying the raising of the manhole was not two feet. Zupan replied he had measured it, and it was two feet. "Then the men erred; it wasn't to be that much," Warfield said.

He continued that to contract such work would cause undue delay. "You can't always get a brick contractor," Warfield said the council.

Zupan replied that the George Slay firm has been doing extensive manhole work in the area and would be available.

The motion by Fry was for any new brick work to be done by contract, with repair work to be done by street department workers.

**Clarification Demanded**  
Whitmer called for clarification of the motion, as did Alderman Dallas. Bartosiek offered an amendment for "complete or new construction involving brickwork."

No action was taken on the amendment.

Nann called to Zupan, "Are you going to make the same demands for the Madison and Venice street departments?" Zupan replied that he probably would.

Nann again criticized the "pressure being brought on the council just before an election."

Green commented, "You're going to see a lot of this before April 1."

Warfield Defends Dept.  
Entering the discussion again, Warfield said he didn't want to see work taken away from the street department, but he agreed that any new brickwork could be contracted. He added that four years ago, when Partney was first elected, his men were stopped from painting the interior of sewer lift stations. "They still haven't been painted, and they're rusting away."

Moerlein suggested the Bricklayers "go to Madison and Venice, too. You have jurisdiction there. Why just pick on Granite City?"

"I'm not worried about Madison or Venice," Whitmer remarked. "I'm concerned about our street department. If every craft tries to join in, it will tear the street department apart."

"We must have a street department in which the workers can do all kinds of jobs, and I think our 25-man street department needs more men."

**30-Day Delay**  
As the council showed signs of continuing the debate, Alderman Johnson spoke up and said he believed Zupan would hold the matter in abeyance for 30 days until after the city election.

Zupan agreed he would. Johnson then motioned for the mayor to name a special committee to meet with Bricklayers and work out a solution after the city election. He pointed out the committee members should be aldermen who will continue to be on the council after the election.

The other aldermen, then anxious to drop the issue, agreed to the motion.

## Blue and Gold Banquet For Cub Pack Eight

Cub Scout Pack Eight, sponsored by the First United Presbyterian Church, held its first Blue and Gold banquet Monday evening at the church with about 100 persons attending.

Mrs. George Buhlmann gave the invocation, preceding the pot-luck dinner.

Retiring Cubmaster Kenneth Wyatt presided and introduced the new cubmaster, William Morgh, and the new officers, Dick Feeney, assistant cubmaster, Dave Warren, treasurer; and Robert Harris, Kenneth Wyatt and George Buhlmann, committeemen.

Buhlmann also will serve as the new Webelos leader.

Also on the program were Bob Burns, Scoutmaster of Troop Eight and Wilber Irelan, assistant district executive of Unioh district.

Don Menke provided the entertainment with a magic act. In an awards ceremony, by following scouts received Wolf

badges; Claud Ohanesian, Brian Warren, Tom Schildman and Carl Ebling. The latter three also received gold and silver arrows.

Webelos receiving awards included Doug Fogel, one; Brad Harris, three; Mike Curtis, four; David Painter, six.

The Webelos award was given to Scott Howell.

Receiving one-year pins were Bob Curtis, Brian Warren, Wallace DeShon, Danny Wyatt, Claude Ohanesian, Larry Wyatt, David Painter, Mike Curtis, Doug Fogel, Jerry Patterson, Brad Harris, Henry Wyatt and Scott Howell and five leaders.

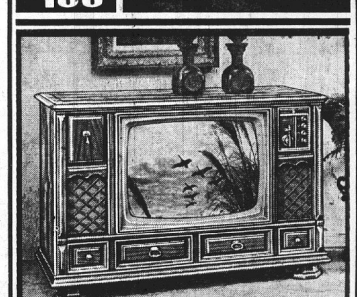

Den Mothers introduced were Mrs. Alice Wyatt, Mrs. Barbara Painter, Kenneth Wyatt, Dave Warren and Bob Harris.

Den Mothers introduced were Mrs. Alice Wyatt, Mrs. Barbara Painter, Mrs. Ann Morgan, Mrs. Sandra Ebling, and Mrs. Margaret Feeney, assistant den mother.

The closing ceremony was led by William Morgan, assisted by Scott Howell.

## Claims Conflict Of Interest by City Treasurer

A campaign based on "fact and the principal of honesty" was pledged today by Paul Simon, 4047 Stearns avenue, a write-in candidate for city treasurer, who also charged that his opponent, incumbent City Treasurer E. R. "Pat" Rich, has become involved in a conflict of interest in his city position.

Simon asserted that his opponent, while serving as city treasurer, is president of the Rich Oil Co. which "has recently as last fall was distributing gasoline to the city of Granite City."

The candidate referred to a section of the Illinois Municipal Code which states that "no municipal officer shall be interested, directly or indirectly, in any contract, work, or business of the municipality, or in the sale of any article, wherever the expense, price or consideration of the contract, work, business or sale is paid either from the treasury or by any assessment levied by a statute or ordinance."

Simon said in a prepared statement that "I have no ties or commitments to the 'business world' nor to any political machine. Therefore I pledge with all honesty that if I am elected I will not allow conflict of interest in any form to exist in the performance of my duties as treasurer."

At the same time Simon said he would work toward fair and impartial banking of city funds if elected treasurer, noting that "of the six banking and financial institutions in Granite City, all city funds are deposited in only one particular bank. All six pay taxes yet only one benefits from deposit of city funds."

## Commercial Zoning Designations Sought

Two petitions for zoning changes were received by Granite City council members and referred to the City Plan Commission Monday night.

Norman Holsinger of the Holsinger Agency is requesting a C-1 commercial classification for a residence at 2861 Madison avenue, and Andrew Rapoff and Walter Ronycki are seeking a change from C-1 commercial to C-2 for property at 2324 Nameoki road, between East 24th street and Lincoln avenue.

The next meeting of the City Plan Commission is scheduled for 1:15 p.m. March 13 at the city hall.

An objection to the change in zoning for the Madison avenue property was raised by Alderman Nomm, who urged the council to give consideration to the problems arising in the downtown business district as businesses relocate along Madison avenue which has been largely residential.

"A businessman buys a house and puts a business in it. How can we improve the downtown district, if we permit this to happen?" Nomm asked.

He was reminded by Fry that the City Plan Commission has asked the council to determine if the full length of Madison avenue should be commercial, but no decision was made by the council.

## \$10,250 Repair Job At GC Pump Station

A \$10,250 motor repair job at the city sewage pumping station on Army Depot grounds will cost the city \$9682, the council was advised Monday night in a letter from depot authorities.

A 400 horsepower motor for the pumps has burned out, and the repair bill also includes replacement of a short-circuited electrical cable.

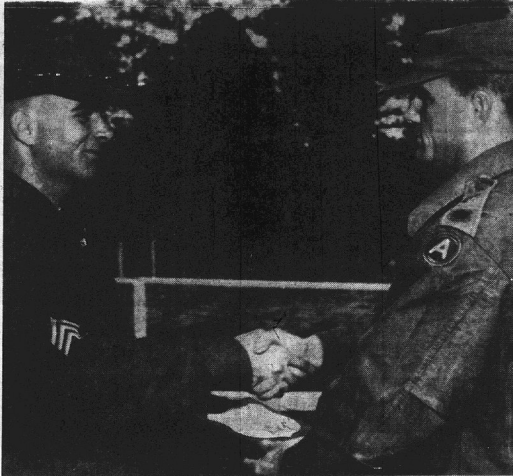

The city's share of repair work at the pumping station is 65% under agreement between municipal and federal authorities.

Robert Jackson, superintendent of the sewage treatment plant near the pumping station, said replacement of the motor would cost more than \$21,000 and take eight months for delivery.

Council members approved the repair project and also authorized installation of a third mercury vapor light on the grounds of the sewage treatment plant.

The council was advised that Treatment Plant Supt. Jackson recently was elected chairman of the West Central Illinois Water Pollution Control Association, and that a committee meeting is to be held here Saturday.

## Pvt. Thornsberry Receives Army Proficiency Award

Pvt. Gary L. Thornsberry, 22, son of Mr. and Mrs. Owen C. Thornsberry, 2468 Waterman avenue, has been awarded an Individual Proficiency Plaque upon graduation from basic combat training with Company B, 1st Battalion, 1st Brigade, U. S. Training Center, Infantry at Fort Benning, Ga.

He received the award for scoring highest in his company on the end-of-cycle individual proficiency test. Out of a possible 67, he scored 65 points.

The test covers basic combat training, including first aid, military justice and courtesy, drill and ceremonies, individual tactics and bayonet.

Pvt. Thornsberry's eight weeks at the Training Center were spent learning the fundamental skills of the soldiers in today's modern, action Army, firing live ammunition under simulated combat conditions, learning protective measures, and first aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern weapons.

A 1964 graduate of Granite City high school, he earned his Bachelor of Science degree in business administration from the University of Missouri in 1968. Before entering the Army, he was employed by Federal Pacific Electric Co., St. Louis, as an accountant.

Pvt. Thornsberry has been assigned to Fort McClellan, Ala., where he will undergo advanced individual training.

## Craig Hiscott Training With AF at Lackland

Craig Hiscott, 22, son of Magistrate and Mrs. Merin Hiscott of Granite City, left Monday evening by plane for basic training with the Air Force at Lackland AFB, Texas.

A 1964 graduate of Granite City high school, he received a B.A. in Sociology at Westminster College, Fulton, Mo., in 1968. He has been employed in the office of the circuit clerk's office at the courthouse in Edwardsville, since graduation and before enlisting.

## Madison Festival Set For Four Days in July

Madison Amvets Post 204 has completed plans for its Fourth of July Festival. Rides will be operated on Third street from Thursday, July 3, through Sunday, July 6, with fireworks on the final night.

Commander Stanley Krakowiak is chairman. Post 204 also made plans for its 12th annual fish fry, to be held at the Madison recreation center on Seventh street on Good Friday, April 4.

Yasli Graville and Frank Schenck have been named to head the committee on stands and scheduling of sports events, with Andrew Angelloff and Andrew Hartman chairmen of refreshments.

Stan Hudzik and John Kozak will arrange rides and Sam Boshoff and Edward Uherick will be fiscal officers.

Rides are to be in operation nightly, with "matinee" prices for children on the final two afternoons. Varied ball games will be played as part of the holiday observance.

In past years, Amvets Post 204 and the Madison Lions alternated as principal sponsor, with the other group assisting. Under the 1969 plan, the Amvets will be the sole sponsor of the festival.

## Feed Grain and Wheat Programs Sign-Up Due

Sign-up in the 1969 Feed Grain and Wheat Programs will end March 21st, 1969. Lee Rodgers, office manager of the Madison County ASCS Office, is urging farmers to take a look at the advantages and benefits of participation in one or both of these programs.

Yields and payments have both increased this year, Rodgers said, and the programs look more attractive than ever before and they take some of the gamble out of farming.

## Jones-Wehrle Engagement

Among the engagement announcements of the week is that of Miss Kay Sue Wehrle, a daughter of Mr. and Mrs. Delbert Wehrle of Vandalia, Ill., and Bruce Jones, son of Mr. and Mrs. Robert W. Jones, 1369 Pontoon road.

Both young people attended a Pentecostal Bible College in Houston, Tex., last year. Miss Wehrle is now working as a secretary in Vandalia.

Her fiancé is studying at Gateway College of Evangelism in St. Louis. He is employed by the Hudson Jewelry Co. He was graduated from the local high school in 1967. Miss Wehrle was graduated from the Vandalia high school the same year.

## PEO HT Chapter To Hold Election

Chapter HT of P.E.O. met Monday in the home of Mrs. Elmer Baker, 2517 Delmar avenue.

A 12:30 luncheon was served to 14 members and Mrs. Richard Kerch, president, conducted the meeting, reporting on progress and activities during her term of office.

New officers are to be elected and installed at the next meeting in the home of Mrs. M. E. Wilson, 1396 Twenty-seventh street.

## May Wedding Is Planned

From Peru, Neb., comes an announcement of the engagement of Miss Cheryl Lynn Combs, a daughter of Mr. and Mrs. Lawrence H. Combs of that city, and Nicholas Anthony Petrillo, a son of Mr. and Mrs. Nicholas J. Petrillo, 2201 Monroe street.

The bride-to-be was graduated in 1968 from Peru State College, Peru, Neb., and is now teaching in Beatrice, Neb. Her fiancé is a senior at Peru State. He was graduated in 1965 from Granite City high school.

Plans are for a May 10 wedding at St. Joseph Catholic Church in Auburn, Neb.

MR. AND MRS. KENNETH WILLTROUT, who were married Friday evening at St. Elizabeth Catholic Church. The bride will be remembered as Jeanette Anderson, a daughter of Mr. and Mrs. Howard Anderson, 2416 Hemlock avenue.

## BRIDE IS HONOREE AT SHOWER

Mrs. Carl Carpenter, the former Naomi Sanders, was guest of honor at a bridal shower Monday evening given by Mrs. Ronald Buzick, 2408 Grand avenue.

Refreshments were served to Mesdames Bonnie Tidwell, Wanda Wentz, Eva Jacobs, Ellen Powers, Doris Wilson, Mary Root, Josephine Knezovich, Margie Brannan, Linda Ollis, Alta Carpenter, Gen Ridenhour, Margaret Hausman, Marilee Paul, Bernice Drake of St. Louis and the honoree.

## Mrs. Williams Is Honoree

Mrs. Gail Williams was guest of honor at a cradle shower this week given by her aunts, Mrs. Jean Edwards and Mrs. Marie Whittle in Fellowship Hall of St. Peter United Church of Christ.

The appointments were carried out in yellow and green, and the gift table held a miniature carriage and doll above which was an umbrella.

After the gifts were opened, there were games and prizes were won by Mrs. Donna Butkovich, Mrs. Alice Campbell, Mrs. Eva Williams, Mrs. Edna Frazier, Mrs. Sue Moss, Mrs. Sharon Bridick, Mrs. Judy Wertheis, Mrs. Irma Wertheis, Mrs. Phyllis Boner and Miss Laura Wertheis.

Others present to whom refreshments were served were Mesdames Janet Wertheis, Gerry Wertheis, June Campbell, Irene Biggs, Marge Frazier, Irene Stovall, Arletta Fisher, Mary Free, Neva Wertheis, Loreta Wertheis, Rose Miller, Leona Corbey, Juanita Wertheis, Dorothy Achenbach, Donna Jones, Marilyn Wisner, Sandy Valencia, Wilene Simpson, Diana Marchant, Connie Mitchell, Bernice Hordesky, Iris Chastain, Marie Wilson, Ruth Morris and Misses Holly Stovall, Norma Rains, Beth Wertheis, Robin and Dana Boner, Lisa Bridick, Christina Wertheis, Carla Sue Wertheis, Lynn and Maria Edwards of Bloomdale, Mo., and Jason Butkovich.

## WEBSTER GIRL SCOUTS CREATE SEWING BOXES

Junior Girl Scout Troop 704, sponsored by the Webster PTA, met at the school Monday with the leader, Mrs. Mae Lee. The Butterfly patrol opened the meeting with a flag ceremony and led the troop in the pledge, promise and singing of "America."

Karen Tolan introduced her mother, Mrs. Shirley Tolan, who assisted Mrs. Lee in the absence of the leader, Mrs. Shirley Tervasi. Individual registration fees are to be turned in by March 3 to Mrs. Lee.

The leader announced that Carole Griffin, Karen Lee and Patty York were the three top salesmen in a recent cookie sale. The scouts worked on sewing boxes, which they will make out of cigar boxes covered with various materials and decorations.

Mary Kay Chapline, Pam Emring, Karol Lee and Vickie Welty gave a choral reading, "Hawahua," led the troop in "Girl Scouts Together" and closed the meeting with "Taps." Others present were Kay Corberly, Tammy DePew, Denise Dickerson, Pam and Sharon Emring, Carmen Jones, Corina Kuhn, Donna Long, Anita McGee, Linda Pool, Leisa Tervasi, Susan and Vickie Welty and Patty York.

## BROWNIE TROOP 899 TO ENTERTAIN PTA

Brownie Troop 899, sponsored by the Webster PTA, opened a weekly meeting Tuesday afternoon with a flag ceremony conducted by Cheryl Brinkley, Robin Edwards, Susan Bryson and Patty Smith. The girls repeated the pledge of allegiance and promise with the leaders, Mrs. Valara Schorfhiede and Mrs. Anita Moody.

Mrs. Schorfhiede gave out day camp folders and explained camping rules. The scouts rehearsed a program for March 10 PTA meeting in observance of scout month.

Decorations were cut out to be used to trim cigar boxes and other containers to be filled for patients at Alton State Hospital in time for Easter. This is a district-wide event.

As the Brownies passed through a disappearing tunnel, they sang "Good Night Brownies." Answering roll call were Pamela Allen, Susan Bunte, Marabell Club, Candice Evans, Deedra Hanna, Terri Hutchinson, Wendy Ann Moody, Renee Null, Robin Pilch, Susan Prokopick, Sheri Rose, Kathy Ruffelt, Becky Schorfhiede, Donna Smith, Robyn Stark, and Jason Butkovich.

## MAIL PICKUP EXPLAINED

To the Editor:  
I mailed a purchase order in the drive-up mailbox across the street from the Granite City post office. It didn't go out until the afternoon of the next day, which made it a day late getting to the company.  
I received my order three days late, which was very inconvenient for me.  
I asked one of the clerks in the post office why my letter didn't get postmarked until the next afternoon after I mailed it. He said that the drive-up mailbox is a carrier pickup, and mail gets picked up only once a day, in the afternoon. The ones in front, on the side, and behind the post office are picked up every hour. So, be careful which box you put your letters in—if you want them to go out in a hurry.

## DUTY OF VOTERS TO STUDY CITY ISSUES

To the Editor:  
Before the mayor election Feb. 11, I walked the streets of our community pushing doorbells and chatting briefly with residents about the fine job our mayor has done and talking a word about the candidate of my choice.

In most cases, it was rather easy to determine whether they were "with" or "against" me. When I sensed the latter, I'd exit with that old line—"Well, no matter who you vote for, just be sure to vote responsibly." You know, that is really a rather silly old line.

In these times, which I feel can be described as perilous, why should anyone who exhibits a lack of knowledge or concern about the people and policies advanced to run our city be sure to vote?

I know, or at least am told, that to vote is a basic right. But to me it's a right tied to an obligation—an obligation to know for what and for whom you are voting.

Perhaps candidates for office should stop stressing that voting is a basic right and emphasize that it is a basic privilege of citizenship.

Voting must be done through conviction rather than as a conditioned reflex.

I would hope that candidates the next time around will begin to speak of voter responsibility—and maybe even have the courage to say that if one hasn't informed himself of the issues, then leave the voting to those who have.

Hopefully, as man acquires more leisure, he will have a greater interest in the running of his city or his country—if he still has the opportunity.

Perhaps some day there will be a nationwide television web, broadcasting sessions of the Congress, state legislatures and city councils.

By this means a citizen could view the manner in which elected officials are conducting the affairs of the city and government for which they have responsibility.

Perhaps some reforms would be instituted if all the citizens were aware that many of the big problems apparently go begging for solutions while the amounts of time consumed by these problems are huge.

Certainly, the voters could demand more of these bodies and the officials who participate in them.

In our democratic republic we, in truth, have not a representative government in the city council but a government of representatives elected for the most part by the democratic process.

## GRANITE CITY WOMAN'S CHRISTIAN TEMPERANCE UNION SHOULD WRITE A BOOK

To the Editor:  
I see and hear so much about children stealing and doing so much dirty work. I have been told by many friends that I should write a book about my wonderful family.

I am the mother of ten children (five daughters and five sons) with 47 grandchildren and 14 great-grandchildren.

Last May I was taken to the hospital with a heart attack. And all I was told to wait on me. They had a certain time to come and stay with me. I don't think they missed at any time, there was always someone there, in-laws or children.

I am thankful to them, my sisters, friends, neighbors, organizations that I belong to, and also Father Sullivan and Father Trece. I have been home since September and am doing well.

MRS. VICTORIA PORTELL

## STEELWORKER FAVORS PARTNER FOR MAYOR

To the Editor:  
I don't see how a candidate can be proud to be endorsed by the Steelworkers International. In 1948, they had more than several thousand other workers in the mill pass through the Mackay picket line.

When there are more than two candidates running in the primary, it is not likely that any will win a majority of the votes, making it necessary that a runoff election be held, with its double expense.

My answer, I think, ought to be to consider carefully whether or not what he has to offer as mayor would be worth the additional cost to the taxpayers.

Mr. Schellenger, by constantly harping on the trouble in the City Council and between the other two candidates, seemed to think that was sufficient reason for the voters to elect him mayor, without offering them any positive program. But voters evidently did not agree with him.

Mr. Martney, it seems to me, has had so much trouble with his council members and so little cooperation from them, I thought he it would be a good idea to elect a new mayor. I had a mind to vote for Clyde Boyd, who seemed to have all the necessary credentials to be mayor.

But upon diligent inquiry, I find that he is not only an instigator of Mayor Partney's trouble, his vendettas with the mayor seem to be personal and vindictive.

I do not think it ethical to reward him for all his trouble-making by electing him mayor of our town.

Because of his alliance with some of the old cronies and leaders with other friends, he would probably be able to organize a political campaign, making by electing him mayor of our town.

## Appropriation Key to Getting SIU-SW Dental School 'Off the Launching Pad' On Schedule

Appointment of Dr. Frank J. Sobkowski as dean of the SIU-SW school of dentistry bolsters the State Board of Higher Education recommendation that \$1,100,000 be appropriated for the school by the legislature this year.  
The need for the program has been shown, and preparations are in an advanced stage to begin instruction in September, 1970 in facilities available at the Alton center.  
This region, all of Illinois and the entire midwest will benefit if the dentistry school is started on schedule.

The issue on which much legislation pending in the 76th General Assembly depends is being approached cautiously and slowly.

The issue is revenue.  
The Governor has started a state austerity program. He hopes will save the state \$300 million by the end of this fiscal year and has promised a legislative revenue package, yet to appear.  
However, several proposed revenue measures have been introduced into the House and Senate which would give Illinois an income tax, adjust the sales tax structure and increase the corporate franchise tax.

None of the proposed revenue bills has yet been scheduled to be heard by committees and prospects for their hearings in the near future are dim.  
Following is a brief review of the major revenue proposals introduced thus far in the General Assembly.

Rep. Clyde Choate (D, Anna), introduced a bill (H 138) calling for an Illinois Personal Income Tax and a companion bill (H 127) calling for an Illinois Corporate Income Tax, both to be effective as of Jan. 1, 1970.

The personal income tax would impose a 2% tax on taxable income, as computed for federal income tax purposes. The same bill would reduce the state sales taxes from the present 4 1/2% to 3%.

Choate's proposed Corporate Income Tax would impose a 5% annual tax on corporate taxable income based on federal income tax returns with some modification.

The corporate income tax proposed would be derived from sources within Illinois, as allocated and apportioned under the Multi-State Tax Compact and would repeal existing corporate franchise taxes.

Coupled with Choate's proposals is a series of bills which would increase the municipal and county sales tax limit to 1% from the present 3/4%.

A second proposed income tax (H 315) was introduced by Rep. Christian Hoerner (R, Springfield), which would impose a flat-rate 13 1/2% income tax on individuals and corporations on all income derived from activities within Illinois.

Hoerner's bill would repeal all sales taxes, messages tax, gas revenue tax, public utilities revenue tax, coin-operated amusement device tax, hotel operators' tax, comparable county and municipal tax provisions and corporate franchise tax provisions.

The bill also proposes to create an Illinois income tax fund into which would be paid 91% of taxes received under the proposed act to be distributed to counties in proportion to the amount of property taxes certified for extension.

In connection with the preceding provision, the bill would provide that the revenue from the proposed act be used to pay the debt of the state.

As to the lawyer's duty to his client, the pamphlet points out that a lawyer must not disclose any information imparted to him by his client without the permission of his client, and must serve his client with loyalty and by all legitimate means.

However, it adds, the lawyer must be loyal to the administration of justice, of which he is the sworn custodian, and must not resort to illegal tactics or untruths.

A person financially unable to retain a private attorney should contact the local Legal Aid Society or local bar association, the pamphlet advises.

Following is a general schedule for the election of schools in accordance with the needs indicated. It is a guide and may need adjustment from time to time in order to adapt to the many changes that cannot be foreseen or anticipated.

Proposals for the period through the 1970-71 school year include conversion of Coolidge Junior High School to senior high use; and phasing out of St. Francis grade school with a 760-student capacity elementary school recommended for construction in Planning District Five (area east of the Alton & Southern Railroad right-of-way).

Also proposed: phasing out of the Logan annex, with a 760-student capacity elementary school added to Logan elementary school and a new 635-student elementary school along Highway 208 in Planning District Four (area north of Highway 208).

## Wide Variety of Revenue Bills; All Being Approached Cautiously

(Springfield Scene)

## Taxpayers' Right to Know School Salaries Again Being Challenged

Illinois House Bill 296 would place a mantle of anonymity over school district salary recipients. Because taxpayers have a right and a need to know how their money is being spent, the proposal ought to be defeated, as it has been often in the past.

The bill would continue to show the number of personnel in each salary level in yearly school treasurer legal publications, but would eliminate the listing of names by school. In an era when Americans are increasingly aware of the value of full, open revelation of governmental actions, this would be a big, pointless step backward.

We are not even sure of the wisdom of a past amendment, ordering listing of names by monetary groups rather than the precise individual income.

In earlier times there was much favoritism, mostly hidden from view. In an era when Americans are increasingly aware of the value of full, open revelation of governmental actions, this would be a big, pointless step backward.

Gov. Ogilvie's reduction of state payrolls this month calls to mind the fact that many state jobs of questionable usefulness have existed, with some politicians paid large sums for little work, and the public not fully aware of it.

Such waste would have been less likely if there had been fuller disclosure. There ought to be more, not less, reporting of expenditures to the real government bosses, Mr. and Mrs. Citizen.

## Leadership of Vernon Tharp Will Be Missed

The sudden death of Vernon C. Tharp, chief administrator of the Tri-City YMCA in the 1960s, came as a shock to this community. Although his years were brief, he had made a favorable impact not only on the "Y" but on many other local organizations and activities.

There is every hope that the forward momentum he helped achieve at the YMCA will continue for many years, but his energy, ability and friendship will be missed.

## 50 YEARS AGO

FEBRUARY 27, 1919  
A new sidewalk district, No. 8, comprising about \$20,000, was authorized by the Board of Local Improvements. This will practically complete the sidewalk system, being designed to connect all existing walks.

A new banking institution, the Union Trust Co. of Madison, has been organized, all the stock having been subscribed. It is a modern building which will be equipped with mahogany and marble fixtures. Directors are Henry Carter, Henry Connole, W. O. Trotter, J. E. Lee, Edgar Hendricks, Morris Glick, Frank Trocickler and R. P. Tule.

The fight on the state constabulary bill, proposing a state police for Illinois, opened today. Labor leaders spoke against the bill, John H. Walker, president of the Illinois Federation of Labor, termed it a strikebreaking agency and commented in his testimony, "If you force this Brutal system upon the laboring man, I will not be a Bolshevik myself."

## Tax Rules for Students, Employees

(Internal Revenue Service)  
Q—Are scholarships taxable?  
A—Scholarships and fellowship grants are tax free within certain limitations. For more details, send a postcard to the IRS district director and ask for Publication 807, "Tax Information on Scholarships and Fellowships."

General tax information for students is contained in Publication 832, "Tax Information for Students and Parents." Both are free.  
Q—Do I have to report my company pension as income?  
A—If the company paid the entire cost of the pension, the pension is not taxable. If you paid part of the cost, only a portion of your pension benefits will be taxed.

## Top Leaders Still Ignoring Potential Danger

The crowd is friendly, even enthusiastic. The high official beams in response and wades through it to shake as many hands as he can reach. Suddenly, tragedy strikes; someone who is a revolutionary or who is unbalanced or who is both has used a gun or a knife or some other weapon to carry out an assassination and alter the course of world events.

The plot is common in fiction and, unfortunately, also is found in history books, ancient and modern.  
The crowd in Belgium this week was friendly, even enthusiastic. President Nixon beamed in response and waded through it to shake as many hands as he could reach. Act Three did not occur, but the stage had been set; security guards had been left far behind.

Should the nation and world be subjected to the traumatic effect of the death of another leader? The answer is obvious, and yet all of our recent presences have overlooked their advisors upon encountering public adulation. No matter how well fortified their ego may be, the temptation to make physical as well as visual and audible contact has been irresistible.

Maybe there should be a clearer law, specifying that even a president is out-ranked in certain situations. It is his own life that he is endangering, true, but hundreds of millions of people also have a stake in it.

## 'Spend It Or Lose It' Approach Discarded

"Spend it or lose it" for too long has been the motto of various government agencies nearing the close of fiscal periods for which expenditures amounting to a specific total have been authorized. End-of-the-year spending flurries have resulted.

John W. McCarter Jr., new Illinois finance director, has discarded the "spend it or lose it" of the custom and for his prompt action to avoid it this year. As he says, "The perilous condition of the state, and good management, demand that we end this practice."

The unexpended funds can be put to good use by substituting them for taxes that otherwise would have to be collected in the future—which would seem to be good politics as well as good management.

## Legal Services, Duties Reviewed

(Tri-City and Illinois Bar Associations)  
How does a lawyer set his fee? The character of the employment, whether an isolated case or part of a continuing relationship. The customary charge of the legal profession.

The person who needs a lawyer and who is not personally acquainted with a lawyer who can be trusted to obtain the best results for him, should contact the local bar association for a list of lawyers who are members of the association.

As to the lawyer's duty to his client, the pamphlet points out that a lawyer must not disclose any information imparted to him by his client without the permission of his client, and must serve his client with loyalty and by all legitimate means.

However, it adds, the lawyer must be loyal to the administration of justice, of which he is the sworn custodian, and must not resort to illegal tactics or untruths.

A person financially unable to retain a private attorney should contact the local Legal Aid Society or local bar association, the pamphlet advises.

## Extensive Future Construction of Schools Expected at All Age Levels

(Excerpts from Granite City Long-Range Plan)

During the planning period of now through 1985, the enrollment of Granite City community unit school district No. 9, Madison County, is expected to rise to a total enrollment of 23,660, an increase of about 65%.

In order to accommodate the expanding enrollment and replace obsolete facilities, the school district will have to construct 189 elementary classrooms, 86 junior high school classrooms and 93 senior high school classrooms.

The classroom estimates and the proposed schedule of construction projects were developed by the school district as a result of a \$4,750,000 building program in December 1968.

Following is a general schedule for the election of schools in accordance with the needs indicated. It is a guide and may need adjustment from time to time in order to adapt to the many changes that cannot be foreseen or anticipated.

Proposals for the period through the 1970-71 school year include conversion of Coolidge Junior High School to senior high use; and phasing out of St. Francis grade school with a 760-student capacity elementary school recommended for construction in Planning District Five (area east of the Alton & Southern Railroad right-of-way).

Also proposed: phasing out of the Logan annex, with a 760-student capacity elementary school added to Logan elementary school and a new 635-student elementary school along Highway 208 in Planning District Four (area north of Highway 208).

Following is a general schedule for the election of schools in accordance with the needs indicated. It is a guide and may need adjustment from time to time in order to adapt to the many changes that cannot be foreseen or anticipated.

## CONCERNED CITIZEN

Commenting on the primary, Party Secretary "Sonny" Thompson said, "I have great faith in the people of our city and I believe that the progress we have made together in the past four years. I seek to continue working with you another year, and I have submitted the only positive programs for the future."

Citizens of Granite City, let us strip away all the phony "emotional issues" that mark the primary, and in the runoff election remember the mayor's wise comments.

FEBRUARY 27, 1944  
Rev. George M. Link, state naturalist and founder of the Tri-City Rangers of America, an organization interested exclusively in pre-delinquency problems and removal of noxious weeds from the local Chamber of Commerce at a dinner meeting at the YMCA.

The Minerva club of Madison, meeting in the Madison public library, elected Mrs. Gladys Gilchrist as president, Mrs. M. Fields vice-president, Miss Marjorie Smith corresponding secretary, Mrs. Ralph Johns recording secretary, Mrs. E. C. Long treasurer, Mrs. Sadie Crawford clerk and Mrs. Edward Reiske, musician.

## Building Permit Values \$31,550

Building permits with a total construction value of \$31,550 have been issued by City Building Inspector Orville Delouis, it was reported today.

One permit for construction of a residence at a cost of \$18,000 was issued to Ronald Lybarger, 2180 Johnson road, according to permits on file with City Clerk Homer Pendleton.

Other permits were in lesser value for miscellaneous work. A permit was issued to John B. Cholenik for installation of a trailer at 2714 Denver street at a cost of \$730.

Permits also were issued to John Sobol for installation of a billboard at 3130 Nameoki road at a cost of \$1800 and for installation of a projection booth at the same address at a cost of \$300.

Remodeling permits were issued to Earl Miller, 3704 Nameoki road, \$2600; Paul W. Rentes, 2800 East 2nd street, \$250; Dr. Vasil Vasiloff, 2561 Madison avenue, \$500.

Carl Lewis, 2416 Glen place was issued a permit to re-roof a carport at a cost of \$250, and Norman Yaeger, 817 Twenty-fourth street, was issued a permit to concrete a porch at a cost of \$50.

One razing permit was issued to Gerald Shafter, 2015 Edwardsville road, to raze a four-room frame house at an estimated cost of \$400.

## Smith Opens Easter Seal Drive; Names Chairmen

Illinois Speaker of the House Ralph T. Smith of Alton, formerly of Granite City, currently serving as campaign chairman for the Easter Seal Society of Southwest Illinois, this week announced the names of two children chosen to represent all youngsters aided by the society in this area.

The 1968 Easter Seal Children are Jane Ward, four, daughter of Mr. and Mrs. Jack Ward of Hartford, who attends daily classes for physically handicapped children at the Central Christian Church, 2020 Johnson road; and Sammy Kanturek, 2½-years, whose parents, Mr. and Mrs. Clarence Kanturek, reside in East Alton.

In addition to naming the Easter Seal Children the appointment of five Granite Cityans to head the annual door-to-door fund raising drive in the Quad-City area, set for March 6 through March 9, also were announced.

### Local Chairmen

Supervising the campaign in Granite City will be Mrs. Ralph Rigney, with Mrs. Raymond Lallemand and Mrs. Norman Kinder as co-chairmen. Mrs.

Lallemand will head the Madison drive and Mrs. Freddie Haldeman the campaign in the Mitchell area. The Venice door-to-door drive will be coordinated by Mrs. Ruth Rankin and members of the Granite City Junior Service League.

Mrs. Joseph M. Glassey, Easter Seal publicity chairman, said this week that Mrs. Rigney and Mrs. Lallemand will distribute contribution canisters in local shopping areas.

Ronald Goldsmith, program director and speech therapist, explained that services in this area provided by the Easter Seal Society of Southwest Illinois, include — pre-school, speech, occupational therapy on a consultant basis, equipment loan at no cost to the individual and referral services.

Four-year-old Jane Ward is a victim of cerebral palsy and associated hearing loss. She walks with the aid of crutches.

Sammy Kanturek, almost totally deaf, receives speech therapy at the Easter Seal's Alton center, Sixth and Alby streets. According to Miss Marie Ropp, the society's executive director, the tiny boy had never heard any sound whatsoever until re-

cently when he responded to a noise produced by a highly-magnified audio training unit used at the center.

Sammy is the youngest speech client in the entire area and is attending the Alton center in preparation for more advanced education at a school for the orally deaf.

Miss Ropp reports that 85% of all funds raised in the community will stay in the com-

munity to work with the physically handicapped. Research projects carried on by the national and state Easter Seal Societies receive the remaining 15%.

The Easter Seal Society of Southwest Illinois serves Bond, Clinton, Jersey, Madison, Monroe, St. Clair and Washington counties.

## City Precinct Boundaries To be Set by next Week

### Bill List, Payroll Total \$74,882

A bill list totaling \$24,261 and a half-month payroll amounting to \$50,621 were approved Monday night by Granite City council members for total disbursements of \$74,882.

Major items on the bill list were payments of \$16,160 to Milam Corp. East for refuse removal services during February and \$2396 to Leo Ellebracht Co. for tree hire.

Alderman Moerlen again called for separation of wages for sewage treatment plant employees, and the council later approved payment to the workers. Moerlen has objected to double pay raises given the treatment plant workers.

He also called for a breakdown of treatment plant funds by the comptroller to determine if transfers are needed within the fund to meet appropriation needs.

#### Registration Charge

Booked at 7:20 a.m. Tuesday at Nameoki road and East 35th street on a charge of operating a vehicle without a valid registration, Lloyd W. Burris, 2802 Buxton avenue, was told to appear in magistrate's court by March 26.

City Clerk Pendleton set next Monday as the deadline for aldermen to specify city precinct boundaries in their wards for the April 1 city election that also falls on the date for the Granite City township election.

Pendleton advised council members Monday night that he has precinct boundaries for all but the First, Third and Seventh Ward and that he needs the information as early as possible to publish legal notices and order ballots and other election supplies.

Seventh Ward Alderman Dawes said he had boundaries ready and would meet the deadline.

Council members also discussed the possibility of sharing polling places with the township when possible.

Non criticized this procedure, saying it would place too much work on the election judges. "It will take them three days to count the ballots in the larger precincts," he added.

Aldermen indicated they planned to share polling places with townships wherever possible and perhaps reduce election costs.

Poulos noted he had problems in the Third Ward with parts of eight township precincts in the new ward. Robertson said he defied anyone to match township precincts with the boundaries of the Fourth Ward and

pointed out one usual voting place for the area was in Wilson Park office "that is no longer in the ward."

On a motion by Whitmer, the council voted to go on record for establishment of city voting precincts for the April 1 election.

Several pointed out the confusion resulting in the Feb. 11 primary when voters were permitted to go to any one of two to six polling places in their ward.

### Noted Harpsichordist To Perform at SIU-SW

Gerald Ranck, harpsichordist and artist-in-residence at Eastern Illinois University, will give a recital Sunday at 3:30 p.m. in the Lovejoy Library auditorium at Southern Illinois University-Southwestern campus. The public is invited and admission is free.

The 26-year-old Ranck made his recital debut in Carnegie Hall on Jan. 20, 1966, and as harpsichordist with the New York Baroque Ensemble has appeared throughout the northeastern part of the U. S. He has studied with Jose Echaniz and Sylvia Marlowe and for four years held a scholarship from the Harpsichord Music Society.

At his SIU-SW recital Sunday, Ranck will play four pieces for harpsichord from the "Fitzwilliam Virginal Book" by William Byrd; fantasias in German style from "Three Dozen Fantasies for Harpsichord" by George Phillip Telemann; eight sonatas by Scarlatti; and five Bach compositions.

#### Speeding Charge

Hans P. Wirtz, 2341 O'Hare avenue, was arrested at 7:20 p.m. Monday, at Terminal avenue and Maryville road, and charged with speeding 50 mph in a 35-mph zone. He is to appear by March 27.
